

Stainless Steel 316 Precision Investment Casting Bearing Rod

Our Product Introduction

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC4734
- Certification: ISO9001,CE,SGS
- Model Number: 4734
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 80,000 pcs monthly

Product Specification

- Item Name: Bearing Rod
- Material: Stainless Steel
- Process: Precision Investment Casting
- Customized: OEM/ODM
- Surface Treatment: Passivated And Machining
- Inspection: 100%

Product Description

Stainless Steel 316 Precision Investment Casting Bearing Rod

Product Details

Material	Custom Drawings OEM
standard	ISO ,DIN, AISI, ASTM, BS, JIS, etc.
Size	available in all sizes or as customer's drawings
Certification	ISO9001 2008
Application	Industrial parts,Machinery parts,construction parts,valve parts,train,craft,hydraulic pressure, agriculturalmachinery,Marine hardware,Auto parts,electric power fittings,food machinery, harness fittings,tools, mining machinery parts
Weight range	0.01kg-2000kg
Machining precision	±0.01mm
Surface treatment	Heat Treatment, Polishing, Plating, Machining, Anodizing, shot, sand blasting, zinc plated, oxide, galvanized etc.
Process	lost wax casting process, sand casting process. silicasol casting process
Production Application	Metal parts, Mechanical parts, Marine Hardware, Electric power fitting, Construction parts,Pipe Fitting, Hardware, Auto parts, Valve parts, Industrial parts, Agricultural machinery, Hinges, etc
CNC and MC Machining	Three coordinate measurement machine for testing.
Service	To chart to sample production OEM / ODM
MOQ	Small order is accepted
Remark	Making service as per your requirement or drawings

Production Process

About Us

We are a factory with a history of more than 30 years. With the development of business, in order to meet customer requirements, we can produce cast parts and customized metal parts. Our main products are made by iron casting, precision investment casting. The mold is designed and processed by ourselves, so we can provide customers with competitive price and low delivery cycle of cast parts. In addition, we have a variety of production and testing equipment and a number of QC personnel, including incoming inspection, process inspection, finished product inspection and exfactory quality control. Through these all-round QC methods, we can 100% guarantee the delivery of products. Welcome friends from all over the world to visit our factory.

FAQ

how can we guarantee quality?

Always a pre-production sample before mass production;
Always final Inspection before shipment;

what can you buy from us?

Steel Castings,Copper Castings,Iron Castings, Aluminum Castings

why should you buy from us not from other suppliers?

For the past two decades, We have been producing all sorts of casting products . Through supplying high quality and satisfied products, all of our cooperation partners speak highly of us and seek further cooperation with us. We will continue to do better.
