

China Metal Foundry Precision Gray Cast Iron Casting Sewing Machine Parts

Our Product Introduction

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC4735
- Certification: ISO9001,CE,SGS
- Model Number: 4735
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 50,000 PCS monthly

Product Specification

- Material: Gray Iron
- Application: Sewing Machine
- Service: OEM/ODM
- Process: Sand Casting
- Dimensions: Customized Sizes
- Surface Treatment: Powder Coating
- Inspection: 100%

Product Description

China Metal Foundry Precision Gray Cast Iron Casting Sewing Machine Parts

Product Details

Material:	Iron, grey iron, ductile iron, aluminum, aluminum alloy, steel, stainless steel, carbon steel, zinc, zamak, brass, copper, etc.
Service:	Sand casting, die casting, stamping, forging, lost wax, Gravity casting, high pressure casting, low pressure casting and CNC Machining,
Heat treatment	T3, T4, T5, T6 Induction furnace for raw material heating. Heat treatment of continuous quench+temper+carburization available.
Testing facility:	spectrometer, tensile test machine, hardness test machine, CMM dimension report

Production Process

Product Show

Q: What kind of payment terms do you accept?

A.: T/T, L/C, etc.

Q: What is your advantage?

A.: High quality, We provide customized metal parts to industry leading companies, which has demonstrate our quality level.
