

Precision Electric Vehicles Parts Anti-theft Device Brake Pedal Lock Casting

Our Product Introduction

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC6352
- Certification: ISO9001,CE,SGS
- Model Number: 6352
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 35 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

Product Specification

- Part Name: Brake Pedal Lock
- Application: Electric Vehicles
- Process: Precision Casting
- Size: 40.3*32.2mm
- Color: RH/Plain
- Surface: Sandblasting
- Inspection: 100%

Product Description

Precision Electric Vehicles Parts Anti-theft Device Brake Pedal Lock Casting

Product	Precision Electric Vehicles Parts Anti-theft Device Brake Pedal Lock Casting
Material	stainless steel or other
Size	according to drawing
Samples	sample available
Tolerance	+/-0.01mm to +/-0.005mm
Logo	custom logo available
Surface treatment	*Polishing*Anodizing*Sand blasting
Color	silver,black,gold etc
Services	OEM & ODM
Quality System	ISO9001:2015

Production Process

Sunrise Foundry is a professional Metal Foundry, located in Ningbo. We have been producing Gray Iron, Ductile Iron Castings and any other precision castings for more than 25 years.

We are dedicated to meet different requirements of various customers across the world, products are mainly involved Agricultural and Construction Machinery, Hydraulic, Mining industry, Municipal Products, some steel and stainless steel castings for Pumps and Valves, Pipe Fittings, etc.

Please feel free to contact us if you have any requests.

PRODUCTION PROCESS

1. Mold Design

2. Mould Making

3. Wax Injection

4. Tree Assembly

5. Desiccation

6. Dewaxing

7. Casting

8. Spectrum Laboratory

9. Shot Blasting

10. Repairing

11. Machining

12. Checking and Testing

Quality Inspection

Packing And Delivery

Our Service

1. More than 20 years' experience in design & manufacturing-----offer **better solutions** that match the market
2. Special research and development team ----- **Analyze** manufacture capability of structure & **study** casting technological parameters & **design** system and structure of mould & **resolving** issues of casting process
- 3.SGS Certificate, ISO -----**Stable quality, International standard**
4. QA & QC team-----Ensure **precision dimensions** and **good quality** & **Reduce hidden costs**
5. Near the port of Qingdao----- **Saving shipping cost, ensure delivery time**

FAQ

Q: What is normal process cooperation would you have?

A:1.We need the drawings for quote.

2.You accept the quotation and sign the contract, pay the mould cost, we will arrange to make samples for approval.

3.You approve the samples and pay the advance.

4.We arrange to manufacture and ship to you.

5.Pay balance.

6.Received the products and feedback.
