

## Small Folding Table 360 180 Degree SUS 304 Internal Wooden Door Hinges for Heavy Doors

### Our Product Introduction

#### Basic Information

- Place of Origin: Mainland China
- Brand Name: NC5356
- Certification: ISO9001,CE,SGS
- Model Number: 5356
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

#### Product Specification

- Item Name: Door Hinge
- Application: Wooden Door
- Size: 149\*51MM
- Process: Precision Casting
- Color: Silver/RH/Gold
- OEM: Available

## Product Description

### Small Folding Table 360 180 Degree SUS 304 Internal Wooden Door Hinges for Heavy Doors

#### Product Process

Technology Specification:	Water glass process of lost wax investment casting, Colloidal Silica process of lost wax investment casting
Material Range:	Carbon steel, Alloy steel, Stainless steel
Material Standard:	GB.ASTM. AISI. DIN. BS. JIS. NF. AS. AAR
Sizes	Max linear Size:1200mm;Max Diameter Size: 800 mm
Casting Weight range:	0.010~5.0kgs for Colloidal Silica process 0.2~90Kgs for Water glass process Casting
Dimension Tolerance:	CT5-CT6 Colloidal Silica process CT7-CT8 for Water glass process Casting
Surface Roughness:	Ra 3.2~Ra6.3 for Colloidal Silica process Ra 6.3um~12.5um for Water glass process

#### Production Process

#### About Us

We manufacture and export a variety of casting products for architectural, automotive, mechanical parts.

Our main product line includes precision casting and CNC machining. We have 25 years experiences in materials of SUS303, SUS304,

SUS316, SUS430, S10, S15, S20, and SCM21.

We have a strong and highly efficient R&D team which can design and make OEM/ODM products according to your ideas and samples.

Moreover, in order to ensure the quality of the orders, our independent QC members to carry out strict inspection at each stage.

All of our operations are strictly compliant with ISO 9001: 2008 guidelines. We own automated casting lines, CNC machining, CMM inspection, spectrometers and MT testing equipment, X-ray.

The SGS and European Inspection Certificate EN10204 3.1 are both available. To benefit from our strong OEM/ODM capabilities and considerate services, contact us today.

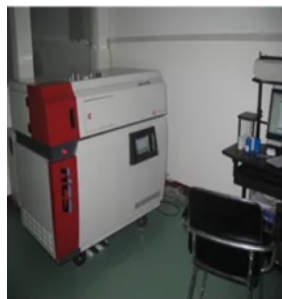

We will sincerely create and share success with all clients. Our goal is not only to provide high quality products, but also to maintain a personalized and professional relationship with each customer. No matter how big or small your requirement we will do our best to meet your demand.

Our sales group has extensive casting expertise, as well as sound market knowledge and resources to help you make well-informed purchasing decisions. Furthermore, our sales professionals provide prompt "after sales service" and support to ensure a smooth purchasing experience.

Tri-coordinate test

Roughness test

### Our Service

We provide: OEM stainless steel lost wax castings and OEM machining services for stainless steel lost wax castings.

We have: CNC Machining, CNC turning, CNC Milling, 3D CMM Inspection and CNC Optical Inspection.

We believe: on time, stable quality, just price, client confidentiality.

### FAQ

1. Q: Should I pay for the samples?

A: No, they are free for you. You only need to pay the shipping freight.

2. Q: How can I get the samples?

A: They will be shipped by DHL, EMS, UPS, FEDEX and TNT.

3 Q: What is the payment terms?

A: T/T or 50% deposit, balanced by copy of B/L .

4 Q: Do you have a MOQ?

A: Usually we don't set the minimum quantity, but the more, the cheaper.

5 Q: Do you have any new products or can you open a new mold for me?
