

AISI CF8 Adjustable Swivelling Hinge Stainless Steel Precision Casting

Our Product Introduction

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC9844
- Certification: ISO9001,CE,SGS
- Model Number: 9844
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

Product Specification

- Item Name: Adjustable Swivelling Hinge
- Material: CF8
- Process: Precision Casting
- Finish: Sandblasting
- Size: Customized
- Inspection: 100%

Product Description

AISI CF8 Adjustable Swivelling Hinge Stainless Steel Precision Casting

Product Details

Main blank Process for Stainless Steel Casting	Investment casting (wax mold made by middle temperature wax) /Precision casting ; Lost Wax Casting (wax mold made by low temperature wax)/ Precision casting;
Blanks Tolerance -Casting Tolerance	CT7-8 for Lost wax Casting Process CT4-6 for Investment casting Process
Surface Roughness	Ra0.8~Ra6.3
Applicable Material	Stainless Steel: CF8, CF8M, . G-X6CrNiMo1810, G-X7CrNiNb1189, SUS 304, 304L, 316, 316L. carbon steel, steel, aluminium, brass, bronze, copper OR According to customer requirement
Casting Blank Size /Dimensions	2 mm-600mm / 0.08inch-24inch according to customer requirement
Casting Blank Weight	Range from 0.01kg-85kg
Applicable Machining Process	CNC Machining/ Lathing/ Milling/ Turning/ Boring/ Drilling/ Tapping/ Broaching/Reaming /Grinding/Honing and etc.
Machining Tolerance	From 0.005mm-0.01mm-0.1mm
Machined Surface Quality	Ra 0.8-Ra3.2 according to customer requirement
Applicable Heat Treatment	Normalization, annealing, quenching and tempering, Case Hardening, Nitriding, Carbon Nitriding, Induction Quenching
Applicable Finish Surface Treatment	Shot/sand blast, polishing, Surface passivation, Primer Painting , Powder coating, ED- Coating, Chromate Plating, zinc-plate, Dacromat coating, Finish Painting,
MOQ of mass production	For casting stainless steel: 100pcs
Lead Time	About 45days from the receipt date of deposit for casting stainless steel

Production Process

Factory Information

We are committed to proceed and manufacture a wide range of high quality mechanical components and machinery accessories for our customers. Over the past decades, our company grows rapidly and expands its business scope from bronze casting and aluminum casting to various metal casting such as Stainless steel casting, alloy steel, casting and carbon steel casting.

Most of our products are exported to Europe and North American Markets, which are applied extensively in heavy equipments, Auto spare, marine components, petrochemical processing, wind turbine equipments, power plant, substation accessories, food processing industry and medical instruments.
