

Ductile Iron Resin Sand Casting for Machinery Spare Parts

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC9733
- Certification: ISO9001,CE,SGS
- Model Number: 9733
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

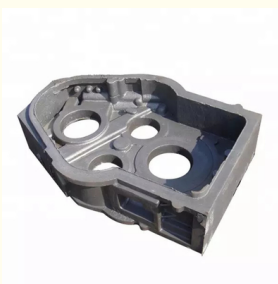

Product Specification

- Material: Ductile Iron
- Production Process: Resin Sand Casting
- Application: Machinery Spare Parts
- Service: OEM\ODM
- Finish: Sandblasting
- Quality Control: 100% Inspected /ISO9001 System

Product Description

Ductile Iron Resin Sand Casting for Machinery Spare Parts

Product Name	Machinery Spare Parts
Material	QT450-10
Color	Customized
Standard	65-45-12
Grade	T400-18,QT450-10,0T600-3QT700-2
Weight	1-15KG
Surface Treatment	Oxidation, Plating zinc, Painting, Hot galvanized, Electroplating, Sand blasting
Used	Machinery

About Us

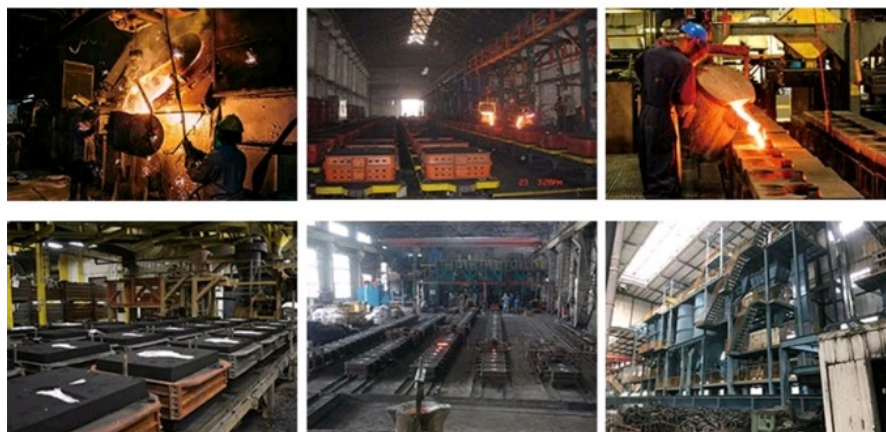

We mainly engaged in many kinds of metal products, mainly OEM and ODM business model. Our owned factory produce cast iron casting and CNC machining parts which are used for valve, pump and other mineral, road, agriculture machinery. Meanwhile, we have long term cooperation with a number of skilled sub-factories, engaged in steel, copper, aluminum, zinc products trading business.

Our company performs strict quality inspection processes by 5 quality inspectors all who have at least 5 years of experience. The any problem can quickly be identified and dealt with by the proper department. By audition our partner factories, we can also assure that all sourced parts and materials are of high quality. Our large company covers an area of 5,000 square meters and has the capacity to manufacture 200 tons of castings per month.

We employ a team of professional and skilled technicians, Workers and management to see that all manufacturing processes are carried out with accuracy. Alongside our world class castings and machining parts we always provide you with first-class service. Our sales are dedicated to providing the optimal service they know this industry very well and can answer any related question in the future. We well arrange overseas warehousing for the convenience of our customers.
