

## Factory Supply Lost Wax Casting Carbon Steel Investment Casting Auto Parts

Our Product Introduction

for more products please visit us on [greycastironcasting.com](http://greycastironcasting.com)

### Basic Information

- Place of Origin: Mainland China
- Brand Name: NC9767
- Certification: ISO9001,CE,SGS
- Model Number: 9767
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 80,000 pcs monthly

### Product Specification

- Material: Steel
- Application: Auto Part
- Process: Investment Casting
- Services: OEM ODM
- Size: Customized Size
- Finish: Sandblasting

## Product Description

### Factory Supply Lost Wax Casting Carbon Steel Investment Casting Auto Parts

#### Product Details

Casting Product Weight	available from 0.02kg to 3000kg
Surface Treatment	Oxidation
	Plating zinc
	Painting
	Hot galvanized
	Powder coating
	Electroplating
	Sand blasting
	Electrophoresis
	Vibration Grinding
Inspection	*100% inspection before shipping, offer the material reports and mechanical property reports
	*Control Plan and PPAP documents according to the clients' requirements
	*ISO9001: 2015 quality control system
Extra Service	CNC machining service in our machining workshop
Advantages	* The dimensions and outside shape are similar with investment casting
	*The surface roughness is good from 2.5 to 25um(100 to 1000um)
	*The min thickness can meet 3 mm(0. 120inch)
	*decrease the internal crack and keep close structure
	*As no joint and defect the cleaning and machining work can be less
	*it's cheaper because it's a simpler process and the foam is cheaper than the wax
