### FAQ

What is your payment term?

A: Normally T/T 50% in advance, balance to be paid before delivery.

If we **don't have drawing**, can you make drawing for me?

Yes, we make the drawing of your sample and duplicate the sample.

Plus, STEP. Drawing will get quicker quotation than 2D drawing.

What will you do for **after sales**?

When our metal parts apply to your products, we will follow up and await your feedback. Any question related to our metal parts, our experienced engineers are ready to help.

How soon can I **get samples**?

Depending on your specific project, it usually takes 15 to 20 days.
