

China Factory Precision Investment Casting Machinery Parts

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC4092
- Certification: ISO9001,CE,SGS
- Model Number: 4092
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

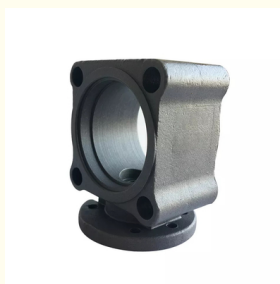

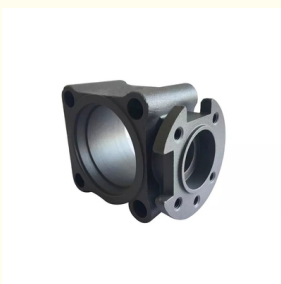

Product Specification

- Material: Carbon Steel
- Application: Machinery
- Process: Investment Casting
- Surface Treatment: Shot Blasting
- Tolerance: 0.01~0.05mm
- OEM: Available

Product Description

China Factory Precision Investment Casting Machinery Parts

Part Details

Special casting types	Investment casting
Investment casting type	Silica sol casting process
Surface treatment	Pickling passivation
Material	Carbon Steel
Tolerance	0.2mm
Proofing cycle	15days
Processing cycle	30days
Annual remaining processing capacity	consulting (tons)
Annual maximum processing capacity	Consulting (pieces)

About Us

We are researching and producing all kinds of stainless steel casting and carbon steel casting with higher quality and we are able to produce hundreds of dimensions of casting products every year.

We manufacture as per international material standards, such as GB, ASTM, AISI, DIN, JIS, and BS. We also carry out strict quality management system. Our markets are America, Germany, France, Italy, Israel, Netherlands and Japan.

We can provide finished mechanical parts and semi-finished mechanical parts in the following casting areas:

1, Silicasol Casting 2, Custom Metal Casting Mainly products: Aluminum casting, Zinc casting, Iron casting, Steel casting, construction hardware, marine hardware, auto parts, valve accessories, electric power fittings, mechanical fitting, food machinery parts, agricultural machinery parts, harness fittings, Customized and OEM offered. Facing intense competition, it is getting more important to make full use of the advantages of producing products with low cost.

Based on years experience in selling and producing tools in oilfield and 20 years' experience in producing precision casting parts in China, we have built the cultural bridges between different countries to make you benefit a lot from China, at the same time reducing commercial risks. We would like to cooperate with you, build long-term business relation and develop a prosperous future together.

Quality Control

Quality Control is one of the most important process in production. We insist that 100% inspection before shipment and ensure parts without any flaws when sending out.

We have complete quality inspection facilities including mechanical testing, chemical analysis, tensile strength, hardness, spectrometer, ultrasonic testing, etc.

Tensile Test Machine

FAQ

how can we guarantee quality?

Always a pre-production sample before mass production;
Always final Inspection before shipment;

what can you buy from us?

Casting and Machining Parts

why should you buy from us not from other suppliers?

We offer metal parts casting according to your requirement 1.Standard:DIN,AISI,ASTM,BS,JIS,etc. 2.ODM/OEM for custom casting
3.ISO9001:2015 Approved 4.One stop service: machining, surface treatment, heat treatment, assembling
