

Lost Wax Steel Casting Cast Steel Brackets Crane Parts

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC6733
- Certification: ISO9001,CE,SGS
- Model Number: 6733
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

Product Specification

- Item Name: Bracket
- Application: Crane Parts
- Material: Cast Steel
- Process: Lost Wax Casting
- Finish: Sandblasting
- Size: Customized

Product Description

Lost Wax Steel Casting Cast Steel Brackets Crane Parts

About Us

We have been dedicated to the OEM casting and machining business for over 20 years.

We are advanced in both green sand casting and shell mold casting from unit weight 0.5kg to 50kg. Our factory has 200 employees, a total production capacity of 2400 tons, and covers a total area of 10,000 square meters.

The horizontal CNC and CMM inspection facilities enable us to customize critical machining parts.

You are welcome to challenge us with any casting parts and our team will enjoy it.

Our Service

Our advantages: Technologies: Our vast experience and innovative engineering team can assist clients in optimizing their initial prototyping to be more cost efficient in casting and machining processes.

Cost & Price: Our competitive price sets us apart from other suppliers. We do not bring our costs down by using cheaper staff or bad material. Instead, we maintain an extremely low defective rate and high efficiency in our casting and machining solutions. Innovatively, we have an owned stamping workshop in house, so that we don't need to pay a higher price for outsourcing steel scraps which is needed additional material for cast iron.
