

## Investment Casting Agricultural Machinery Accessories Farm Ploughing

### Our Product Introduction

#### Basic Information

- Place of Origin: Mainland China
- Brand Name: NC8732
- Certification: ISO9001,CE,SGS
- Model Number: 8732
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

#### Product Specification

- Item Name: Farm Ploughing
- Application: Agricultural Machinery
- Process: Precision Casting
- Size: Customized
- Casting Tolerance: CT5-CT9
- Finish: Sandblasting

## Product Description

### Investment Casting Agricultural Machinery Accessories Farm Ploughing

#### Product Details

Our factory supply OEM service(custom service) in **precision investment casting**,which are also called **lost wax casting**.

We have been committed to this technique for over 20 years .

Our specialized engineer one stop service, and also reduce the cost of the parts.

|                             |  |
|-----------------------------|--|
| Material                    | Carbon steel, alloy steel, stainless steel,Aluminum alloy, Copper, ect.  |
| Process                     | Lost wax casting + cnc machining   |
| Casting dimension tolerance | CT7  |
| Casting surface roughness   | Ra 12.5 um   |
| Casting weight range        | 0.1-90 kg  |
| Casting Size                | Max linear size: 1200 mm, Max diameter size: 600 mm  |
| Machining Precision         | Positioning accuracy 0.008 mm, Rep. position. accuracy 0.006 mm  |
| Machining surface roughness | Ra0.8 ~ 6.3 um   |
| Max Travel Of Spindle       | 1900 mm x 850 mm x 700 mm  |
| Max Turning Diameter        | 830 mm   |
| Material standard           | GB, ASTM, AISI, DIN, BS, JIS, NF, AS, AAR  |
| Surface treatment           | KTL (E-coating), Zinc plating, Mirror Polishing, Sand Blasting, Acid pickling, black oxide, Painting, Hot galvanizing,Powder coating, Nickel plating.  |
| Service available           | OEM & ODM  |
| Quality control             | 0 defects,100% inspection before packing   |
| Application                 | Train & railway, automobile& truck, construction machinery, forklift, agricultural machinery, marine parts, petroleum machinery, construction, valve and pumps, electric machine, hardware, power equipment and so on. |
| Keywords                    | Investment casting, sand casting, precision casting, lost wax casting,water glass casting,silica sol casting ,die casting  |

#### Production Process

#### Our Service

**Price--** Competitive.We know the market situation.

**Quality--** Quality Assurance and Quality Improvement.

We know the importance of material chemical composition,tolerances.

We know the Happiness when we do well,and result when we fail.

**Delivery time--** Time Guarantee. We know the loss of our customer when we delay.

**Excellent Service--** 24hours answer.72hours quotation

We answer for any quality issue,if there will be any.

## QUALITY TESTING

### FAQ

#### What material do you have?

SS304/SS316/SS316/Duplex 2205/ Carbon steel/Alloy steel/Aluminum

#### Can you provide sample for us?

Yes, free sample is available

#### How do you ensure quality control?

we ensure the quality control by 2 steps: 1)after finish, our workers will check it one by one. 2)our package department will check before they pack.

#### How do you ship the goods to us?

We have the forwarder cooperated with us for 11 years, they can deliver the goods to you in very short time with competitive price,and you can ship by your own agent as your convinence.

#### Which country is your main market now?

Mid-East, North Africa, West Africa, South-east Asia, South America and Northern Europe district. Especially, a firm customer base in Saudi, Morocco, Nigeria, India, Bangladesh, and Russia etc.

#### Can you do the full set project products for us?

yes we can, our engineer will check your project drawings to make sure its accuracy for each different fittings and quantity.
