

Lost Wax Casting Marine Hardware Fastening Twist Lock

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC9332
- Certification: ISO9001,CE,SGS
- Model Number: 9332
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

Product Specification

- Item Name: Twist Lock
- Application: Marine
- Material: Steel
- Process: Lost Wax Casting
- Service: OEM/ODM
- Casting Tolerance: CT5-CT9

Product Description

Lost Wax Casting Marine Hardware Fastening Twist Lock

Product Details

Weight	0.1-3000kgs
material	gray iron,ductile iron,steel,brass,brone,etc
process	Precision casting, sand casting,machining etc
Surface treatment	polishing,machining,antirusting oil
tolerance	customers drawing request
Application	Mechanical parts,Vehicle,Agro Machinery,Pipe,Valves, etc
Drawing Foamt	.jpg/.pdf/.dxf/.dwg/.igs/x_t.etc
Packing	Foam,Carton,Wooden boxes,or as per customer's requirements
Leading Time	7-20 work days
Shipment	By FedEx,DHL,China past
Payment Terms	T/T,Western union,paypal

Production Process

About Us

Sunrise Foundry is a full service company that provides iron castings, percision casting and machining for a wide variety of industries and applications.Our engineer group has over 25 years of international experience providing engineered products or “specials” as well as standards to OEMs and distributors in China, USA, Canada, South Korea, Europe, and Asia. We partner with ISO9001 certified factories and go to great lengths to control and document each step of the production process. We track each and every step of the development and production processes so that our customers know the status at all times.
