

Agricultural Machinery Spare Parts Knife Guard for Combine Harvester Spare Parts

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC9833
- Certification: ISO9001,CE,SGS
- Model Number: 9833
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

Product Specification

- Part Name: Knife Guard
- Application: Agricultural Machinery
- Material: Ductile Iron
- Process: Sand Casting
- Weight: 2.2 KG
- Surface Treatment: Spray Paint
- OEM: Acceptable

Product Description

Agricultural Machinery Spare Parts Knife Guard for Combine Harvester Spare Parts

Product Details

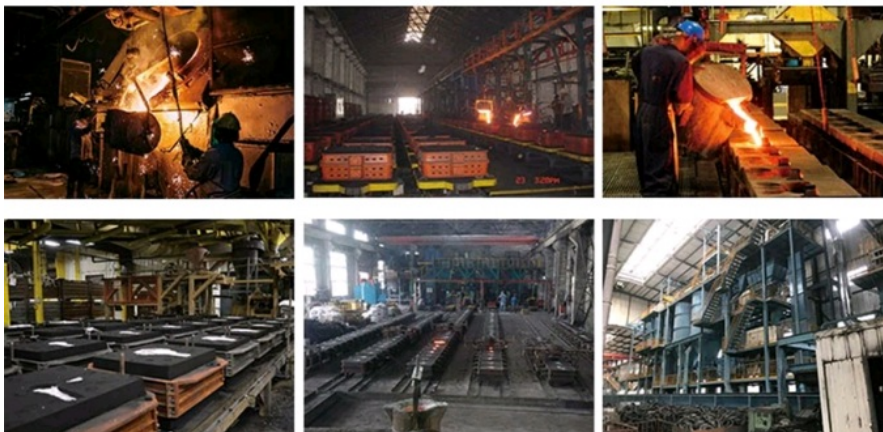

Manufacturing Method	Sand Casting(Resin Sand, Pre-Coated Sand, Clay Sand, Water glass sand)
Material Standard	GB, ANSI, BS, DIN, JIS, ASTM, ASME, AISI, etc carbon steel, low carbon steel, middle carbon steel, G35, G45, WCB, WCA, WCC, ISO 340-550, etc. Alloy Carbon steel: G25CrMo4, Heat Resistant Steel, etc. Stainless Steel: SUS 304, 304L, 316, 316L, CF8, CF8M, G-X7CrNiNb1189, etc. AS2074 or according to customer specific requirement.
Weight Range	1 kg to 100 Tons
General Casting Tolerance	CT8-CT12 ISO 8062 / Customized
Design Software	UG, Pro-E, Inventor
Mould Manufacturing	Yes
Casting Stimulation	Yes
Quality Standard	ISO 9001
Ultimate machining tolerance	0.005mm
Machining Roughness	Ra0.8-Ra3.2 according to customer requirement
Heat Treatment	Normalization , annealing, quenching and tempering, Case Hardening, Nitriding, Carbon Nitriding, Induction Quenching
Surface Treatment	Shot/sand blast, polishing, Surface passivation, Painting , Powder coating, ED-Coating, Chromate Plating, zinc-plate, Dacromat coating, Finish Painting

CMM

Tensile Test Machine

FAQ

How to quote?

A: Received the sample or drawing, then we will make the quotation.

How about the MOQ?

A: Depend on the weight and material, if it is our daily melting material, there is no MOQ.

Payment terms

A: Mold costs: 50% deposit,, balance after sample approval

Mass production: 50% deposit, balance upon B/L available.

Delivery time

A: Normally 25-40 days;

A: Standard or customized will both be available.

How about the packing?

A: Standard or customized will both be available.We will consider the transfer at warehouse and long time anti rust during on the sea.
