

Cast Grey Iron Sand Casting for Auto Part

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC9832
- Certification: ISO9001,CE,SGS
- Model Number: 9832
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

Product Specification

- Material: Grey Iron
- Application: Auto
- Process: Sand Casting
- Surface Treatment: Sand Blasting, Polishing
- Quality Control: 100% Inspection
- Casting Tolerance: CT4-CT6

Product Description

Cast Grey Iron Sand Casting for Auto Part

Product Details

Manufacturer	Manufacturer (more than 20 years' experienced factory) Exporter (export from 2000 year)
Material	Carbon steel, Stainless steel, Ductile Iron, Grey Iron
Casting Process	Sand Casting+Investment casting + CNC Machining
Surface Treatment	Polishing, Powder Coating, Zinc Plating, Chrome Plating, Heat Treatment, Tumbling Polishing, Electropolishing.
Casting Tolerance	CT4-CT6

Production Process

Quality Control

CMM

Tensile Test Machine

WHY CHOOSE US

1. **OEM products.** Most of our parts are OEM based on customers' drawings, samples or other related information.
2. **Manufacturing technique.** Our factory can offer investment casting and machining technology. For sand casting rough parts, they will be manufactured by our cooperated factory then machined by ourselves.
3. **Products Test.** We can offer CMM test, water pressure test for strength, strain relief test, dynamic balancing test and so on.
4. **QC System.** All the parts from us will be made by strict quality control, our quality inspection department and quality control department will be responsible for each customer.
5. **Technology consulting.** We will make an in-depth technical communication with customer for each product. With the strong technology support, you can talk with us for your parts at any time.
6. **Delivery in time.** For each order, we will make a detailed production plan and make sure the goods will arrived to you in time.
7. **After-sales services.** If you have any questions when you use our products, we are willing to offer the support or help you need.
