

## Grey Cast Iron Sand Casting Engine Part

Our Product Introduction

for more products please visit us on [greycastironcasting.com](http://greycastironcasting.com)

### Basic Information

- Place of Origin: Mainland China
- Brand Name: NC6571
- Certification: ISO9001,CE,SGS
- Model Number: 6571
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

### Product Specification

- Material: Grey Iron
- Process: Sand Casting
- Application: Engine Part
- Service: OEM ODM Customised
- Surface Treatment: Customers' Demand
- Standard: Customers' Drawings
- Inspection: 100% Inspection CMM

## Product Description

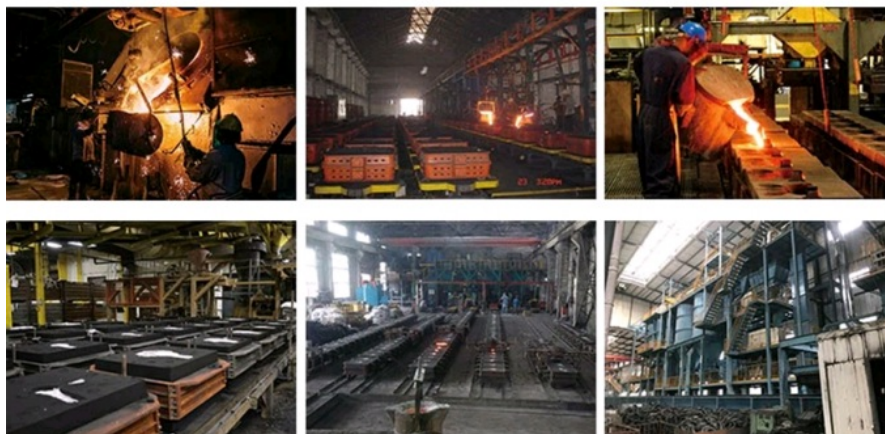

### Grey Cast Iron Sand Casting Engine Part

#### Product Details

Product Name	Engine Part
Color	Silver,Gray,Black,Gold or as client's requirement
Weight	0.1-3000kgs
Size	according to the drawing
Our service	one top service machining-assembly process kind CNC turning parts
Surface treatment	polishing,machining,antirusting oil
tolerance	customers drawing request
Application	Mechanical parts,Vehicle,Agro Machinery,Pipe,Valves, etc
Drawing Foamt	.jpg/.pdf/.dxf/.dwg/.igs/x_t.etc
Packing	Foam,Carton,Wooden boxes,or as per customer's requirements
Shipment	By FedEx,DHL,China past

#### About Us

Sunrise Foundry is one of famous company in China which specialized in various metal casting products with over 20 years experience, located in China.It covers a comprehensive range of forging, sand casting, investment casting, and machining and was widely used in Agriculture machinery, Motor Vehicle, Architecture,Railway and Engineering We have a complete line of mold making, casting production, machining and assembly to meet customer requirements for finished parts. For our customers we have designed and manufactured over hundreds sets of moulds these years. Most of our products have exported to USA, Germany, Italy, U.K., Belgium , Finland and so on.

#### Quality Control

CMM

Tensile Test Machine

### Our Service

- ♥ More than 20 years' experience for casting & machining (OEM service)
- ♥ All of items have been approved by Certificate ISO9001,CE
- ♥ Products quality is fully assured
- ♥ The process of products manufacture is strictly fully tested and managed
- ♥ Every thread is carefully measured, according to the gauge
- ♥ Reliable quality but prompt delivery is ensured
- ♥ Skillful staffs, machining by CNC, which ensures the precision
- ♥ Long service life under proper use
- ♥ OEM&ODM are all available

### FAQ

Q1. How can we guarantee quality?

Always a pre-production sample before mass production; Always final inspection before shipment

Q2. What's the production time for new molds and mass production?

10-20 days to make the new moulds, mass production takes around 15 days, can process urgently if need

Q3. Can you send me samples? Yes, Samples are for free, and freight is on your side.

Q4. What kind of production service do you provide?

Mold making, all kinds of casting, CNC machining, stamping, plastic injection, assembly, and surface treatment.

Q5. What is the payment terms?

T/T: 30% deposit, the balance will be paid after B/L copy; L/C: the balance irrevocable L/C at sight.

Q6. Why should you buy from us not from other suppliers?

Quicker response: 24 hours for quotation; Dependable quality ISO9001; Excellent Team Positive, flexible, passionate; High business reputation Maintain long smooth relationship with clients
