

Stainless Steel Casting Water Pump Housing

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC8735
- Certification: ISO9001,CE,SGS
- Model Number: 8735
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

Product Specification

- Item Name: Water Pump Housing
- Material: Stainless Steel
- Process: Precision Casting
- Surface Treatment: Zinc Plated/polishing
- Tolerance: +/-0.05mm
- Size: As Per Drawing

Product Description

Stainless Steel Casting Water Pump Closed Auto Impeller Pump Housing

Product Details

Product Name	Stainless Steel Casting Water Pump Housing
Material	AISI 304,AISI 306 stainless steel etc
Designs	1.As per the customer's drawings 2.As per the customer's samples
Surface treatment	zinc plated, polishing, sandblasting
Service	OEM service available
Products	All kinds of stainless steel casting: include automotive parts, railroad parts, medical parts, marine parts, lighting parts, pump body, valve parts, architectural parts and furniture parts so on
Inspection	1.Dimension report 2.Material certification
Packing	Export carton and fumigation wooden pallets

Production Process

PRODUCTION PROCESS

		
Mould	Waxes Injection	Starch Dipping
		
Shell Drying	Shell Baking	Steel Melting & Pouring
		
Shell Vibrating	Sand Blasting	Ready For Machining

We are specialized in manufacturing cast iron and ductile iron casting parts, common material grade includes EN-GJL-200, EN-GJL-250, EN-GJS-400-18, EN-GJS-450-10 and so on.

We offer high precision machining service, material includes cast iron, ductile iron, carbon steel, stainless steel, aluminum, brass, copper, and so on.

Our products include auto part, valve part, machinery part, engine part, bicycle part, gear-box part and so on.

Quality Control

CMM

Tensile Test Machine

FAQ

1. Are you a trading company or a manufacturer?

We are a manufacturer, so we have cost advantage and you can enjoy faster communication on product detail.

2. How long does it take to get a quotation?

Generally, it takes 2 work day to make the offer. However, for urgent inquiry, we can provide the quotation within 12 hours.

3. How do you control your quality?

We use top quality material to manufacture our products in order to guarantee prime quality. All the products will be fully inspected before delivery.

4. Can I get a sample to check your quality?

Yes, of course. It is our pleasure to send a sample for you to check our product quality.
