

Carbon Steel Precision Investment Casting Carbon Steel Parts

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NS0562
- Certification: ISO9001,CE,SGS
- Model Number: 0562
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

Product Specification

- Material: Carbon Steel
- Process: Precision Investment Casting
- Size: Customer's 3D Drawing
- Service: OEM\ODM
- Application: Industry
- Finish: Sandblasting

Product Description

Carbon Steel Precision Investment Casting Carbon Steel Parts

Product Details

Product Name	Carbon Steel Precision Investment Casting Carbon Steel Parts
Product Type	Casting,CNC turning, milling, drilling, grinding, wire EDM cutting etc.
Our Services	CNC Machining,Plastic Injection,Stamping,Die Casting,lost wax casting,Aluminum Extrusion,Mould Making,etc
Material	Ductile Iron, Gray Iron, steel, stainless steel
Surface Treatment	Anodizing,Sandblasting,Painting,Powder coating,Plating,Silk Printing,Brushing,Polishing,Laser Engraving
Size	As customers' request
Service Project	one stop service
Drawing Format	PRO/E, Auto CAD, Solid Works,IGS,UG, CAD/CAM/CAE
Testing Machine	Digital Height Gauge, caliper, Coordinate measuring machine, projection machine, roughness tester, hardness tester and so on
Industry used	Machinery; heavy duty equipment; electronic device; Auto spare parts; optical telecommunication
Packing	Eco-friendly pp bag / EPE Foam /Carton boxes or wooden boxes As customer's specific requirements
Trial sample time	7-10 days after confirmation

Production Process

About Us

Sunrise Foundry manufactures and exports a variety of casting products for architectural, automotive, mechanical parts. Our main product line includes sand casting, precision casting, investment casting, lost wax casting, and CNC machining. Materials vary from gray iron casting, ductile iron casting, metal casting, steel casting, stainless steel casting, and so on.

We export to more than 20 countries on 6 continents and have been doing so for more than 25 years. We have a strong and highly efficient R&D team which can design and make OEM/ODM products according to your ideas and samples.

Moreover, in order to ensure the quality of the orders, our independent QC members to carry out strict inspection at each stage: (1)Incoming material inspection (2)Inspection of work-in-progress (3)Finished product inspection (4)Random warehouse inspections All of our operations are strictly compliant with ISO 9001: 2008 guidelines We own automated casting lines, CNC machining, CMM inspection, spectrometers and MT testing equipment, X-ray.

To benefit from our strong OEM/ODM capabilities and considerate services, contact us today.

We will sincerely create and share success with all clients.

Our goal is not only to provide high quality products, but also to maintain a personalized and professional relationship with each customer. No matter how big or small your requirement we will do our best to meet your demand. Our sales group has extensive casting expertise, as well as

sound market knowledge and resources to help you make well-informed purchasing decisions. Furthermore, our sales professionals provide prompt "after sales service" and support to ensure a smooth purchasing experience.
