

Precision Lost Wax Stainless Steel Investment Casting Flange Tube for Motorcycle Part

Our Product Introduction

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC7631
- Certification: ISO9001,CE,SGS
- Model Number: 7631
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

Product Specification

- Item Name: Flange Tube
- Application: Motorcycle Part
- Material: Stainless Steel
- Process: Precision Casting
- Dimensions: Customized Sizes
- Surface Treatment: Sandblasting

Product Description

Precision Lost Wax Stainless Steel Investment Casting Flange Tube for Motorcycle Part

Product Details

Product	Motorcycle Flange Tube
Material	stainless steel 304, 316 17-4PH or other
Size	according to drawing
Samples	sample available
Tolerance	+/-0.01mm to +/-0.005mm
Logo	custom logo available
Surface treatment	*Polishing*Anodizing*Sand blasting
Color	silver,black,gold etc
Services	OEM & ODM
Quality System	ISO9001:2015

Production Process

Casting is a manufacturing process in which a liquid material is usually poured into a mold, which contains a hollow cavity of the desired shape, and then allowed to solidify.

New Densen offers multiple investment casting, sand casting, permanent casting, die casting, low pressure casting, ESR casting, lost foam casting, etc. Material can be handled include steel, iron, non-ferrous. Single component weight range is from 0.01Kg to 150 tons separately.

About Us

Sunrise Foundry is a professional Metal Foundry, located in Ningbo. We have been producing Gray Iron, Ductile Iron Castings and any other precision castings for more than 25 years.

We are dedicated to meet different requirements of various customers across the world, products are mainly involved Agricultural and Construction Machinery, Hydraulic, Mining industry, Municipal Products, some steel and stainless steel castings for Pumps and Valves, Pipe Fittings, etc.

Please feel free to contact us if you have any requests.

FAQ

Q: Are you a factory or trading company?

A: We're a direct factory, we have our own casting foundry and machining factory over 25 years.

Q: Do you make customized products based on our design drawings?

A: Yes, we are a professional metal fabrication factory with 20 experiences to make custom products according to clients' drawings.

Q: Will my drawing be safe after you get it?

A: Yes, we will not release your design to third party unless with your permission.

Q: What is the MOQ?

A: Usually we don't set MOQ, but the more, the cheaper. Besides, we are happy to make prototype or sample for clients to ensure quality standard.

Q: Whether some samples can be provided?

A: Yes, just need some sample cost and express cost, we will provide some parts which we have stock.
