

## Ductile Iron Casting Seal Plate for Agricultural Machinery

### Our Product Introduction

for more products please visit us on [greycastironcasting.com](http://greycastironcasting.com)

#### Basic Information

- Place of Origin: Mainland China
- Brand Name: NC8841
- Certification: ISO9001,CE,SGS
- Model Number: 8841
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000-80,000 pcs monthly

#### Product Specification

- Part Name: Seal Plate
- Material: Ductile Iron
- Production Process: Sand Casting
- Application: Agricultural Machinery
- Surface Treatment: Sandblasting
- Size: Customized

## Product Description

### Ductile Iron Casting Seal Plate for Agricultural Machinery

#### Product Details

Part Name	Ductile Iron Seal Plate
Casting technic	Clay dry sand casting / resin sand casting / precision casting / investment casting / lost wax casting / shell-mould / silica sol casting / water glass casting
Casting blank size	2mm-1000mm / 0.08ch-36inch / according to customer's requirement
Casting blank weight	0.01kg-1000kg
Casting tolerance	CT5-CT8
Machining tolerance	0.005mm
Machining	Lathing / Milling / Turning / Boring / Drillig / Tapping / Broacing / Grinding / etc
Surface quilty	Ra0.8-Ra3.2 / according to customer requirement
Surface treatment	Shot blasting / Polishing / Painting / Powder coating / Anodizing / Zinc plating / Nickel plating / bluing / blacking / etc
Quality control	100% inspection before shipment
Design / File / formats	Auto CAD (IGS,DXF,DXF,DWG,STP,STL,X-T) / Solid Works / Unigraphics / PDF /etc
Certification	ISO9001:2008
Package	Bubble plastic bag / polybag / pallet / wooden case / paper box / etc
Sample	Available
OEM service	Available

#### Production process diagram

- 1.-- customers provide mould design or sample for us
- 2.-- mutual discuss for the specification of product including the material, special treatment, the price, delivery time
- 3.-- provide competitive price for customer and send PI immediately
- 4.-- quick manufacture upon received the down payment
- 5.-- send sample first and batch production for achieved the confirmation of customer
- 6.-- determined by customer's requirement

### Anout Us

We are specialized in manufacturing cast iron and ductile iron casting parts, common material grade includes EN-GJL-200, EN-GJL-250, EN-GJS-400-18, EN-GJS-450-10 and so on.

We offer high precision machining service, material includes cast iron, ductile iron, carbon steel, stainless steel, aluminum, brass, copper, and so on.

Our products include auto part, valve part, machinery part, engine part, bicycle part, gear-box part and so on.

### Quality Control

CMM

Tensile Test Machine

### FAQ

#### 1. Are you a trading company or a manufacturer?

We are a manufacturer, so we have cost advantage and you can enjoy faster communication on product detail.

#### 2. How long does it take to get a quotation?

Generally, it takes 2 work day to make the offer. However, for urgent inquiry, we can provide the quotation within 12 hours.

#### 3. How do you control your quality?

We use top quality material to manufacture our products in order to guarantee prime quality. All the products will be fully inspected before delivery.

#### 4. Can I get a sample to check your quality?

Yes, of course. It is our pleasure to send a sample for you to check our product quality.
