

Lost Wax Casting 304 316 Stainless Steel Precision Casting Parts

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC6742
- Certification: ISO9001,CE,SGS
- Model Number: 6742
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000-80,000 pcs monthly

Product Specification

- Material: 304 316 Stainless Steel
- Process: Investment Casting
- Finish: Sandblasting
- Size: As Per Drawing
- Tolerance: 0.2mm
- Quality Control: 100% Inspection

Product Description

Lost Wax Casting 304 316 Stainless Steel Precision Casting Parts

Product Details

Company	Manufacturer (more than 14 years' experienced factory) Exporter (export from 2005 year)
Main export market	Western Europe North America Western Asia
Accept	OEM Service
Material	Carbon steel, Low alloy steel, Stainless steel, Heat resistance steel, Tool steel, etc.
Producing Process	investment casting
Surface Treatment	polishing, powder coating, zinc plating, chrome plating,heat treatment,tumbling polishing, electro-polishing.
Design	As per the customer's design, idea & samples; As per samples, we can provide surveying and drawing.
Packing	carton and pallet. or according to customer requirements.
Inspection	SGS, ROHS, IATF16949:2016 or Third party inspection available upon customer's requirements.
Mainly Products	Machinery parts and components, Mobile parts, Pipe couplings, Tools hardware, Kitchen hardware, Shower hardware,Lamps hardware, Marine hardware, Building hardware, Handrail accessories, Glass connector, Castings of electrical appliance, Furnace parts and so on.

About Us

Our company is a precision casting production and processing enterprises, the company's business scope: product design, dewaxing mold development, mold processing embryo parts, post-processing polishing, electroplating, finishing, packaging and a series of production Two: The main service customers are in the military industry, automobile, mine, railway transportation, wind power, motor, furniture, household appliances, outdoor, beauty equipment, medical equipment and so on. .. accessories covering the needs of the entire hardware industry. Customer notice: I mainly to the drawing sample order custom processing, do not sell spot, online quotation is not the final price, the specific unit price according to the size of the product specifications, structural difficulty, material Quantity after processing requirements and so on to determine.

Please confirm with customer service before placing the order, thank you very much for your trust and support!

PRODUCTION PROCESS

Mould

Waxes Injection

Starch Dipping

Shell Drying

Shell Baking

Steel Melting & Pouring

Shell Vibrating

Sand Blasting

Ready For Machining

Quality Control

Quality Control is one of the most important process in production. We insist that 100% inspection before shipment and ensure parts without any flaws when sending out.

We have complete quality inspection facilities including mechanical testing, chemical analysis, tensile strength, hardness, spectrometer, ultrasonic testing, etc.

CMM

Tensile Test Machine

FAQ

1. Q: Should I pay for the samples?

A: No, they are free for you. You only need to pay the shipping freight.

2. Q: How can I get the samples?

A: They will be shipped by DHL, EMS, UPS, FEDEX and TNT.

3 Q: What is the payment terms?

A: T/T or 50% deposit, balanced by copy of B/L .

4 Q: Do you have a MOQ?

A: Usually we don't set the minimum quantity, but the more, the cheaper.

5 Q: Do you have any new products or can you open a new mold for me?
