

Steel Precision Investment Casting Wood Working Machinery Parts

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC0835
- Certification: ISO9001,CE,SGS
- Model Number: 0835
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000-80,000 pcs monthly

Product Specification

- Material: Carbon Steel
- Application: Wood Working Machinery
- Process: Lost Wax Casting
- Surface Treatment: Sandblasting
- Dimensions: Customized Sizes
- Tolerance: CT4-CT6

Product Description

Steel Precision Investment Casting Wood Working Machinery Parts

Product Details

Manufacture process:	investment casting, lost wax casting
Material:	carbon steel, stainless steel, alloy steel, aluminum alloy, copper alloy
Heat treatment:	annealed, solution, quenching & tempering, carburization, nitriding
Casting tolerance standard:	ISO 8062-3-2007 CT4-6 Grade, ISO 2768-mK
Surface treatment:	shot blasting, pickling & passivation, zinc plating, polishing, painting, cataphoresis
Casting surface roughness:	Ra3.2-6.3

Production Process

Quality Control

CMM

Tensile Test Machine

FAQ

how can we guarantee quality?

Always a pre-production sample before mass production;

Always final Inspection before shipment;

what can you buy from us?

Investment Casting

why should you buy from us not from other suppliers?

Process control follows the IATF 16949:2016 certification and ISO14001-2015.

We are good at producing the complex metal precision castings and supporting multiple categories, small batch customization production, according to drawings or samples.
