

Precision Alloy Steel Casting For OEM Forklift Parts

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC7321
- Certification: ISO9001,CE,SGS
- Model Number: 7321
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000-80,000 pcs monthly

Product Specification

- Material: Alloy Steel
- Application: Forklift Parts
- Process: Precision Investment Casting
- Surface: Machining Or Spay Painting For Alloy Casting
- Tolerance: CT5-CT7
- Inspection: 100%

Product Description

Precision Alloy Steel Casting For OEM Forklift Parts

Product Details

Process	Precision Casting, Investment Casting
Material	Iron, Steel, Gray Iron, Nodular Cast Iron
Surface	Machining Or Spay Painting For Alloy Casting
Heat Treatment	Annealing, Normalizing, Quenching, Tempering
Certification	Approvals ISO9001, TUV-PED, BV For Alloy Casting
Inspection	Pressure Test, Sealing Test For Alloy Casting
Requirements For Materials	Hardness, Tensile Strength, Elongation, Impact Toughness
Requirements For Size	Dimensional Accuracy And Shape Accuracy
Production Equipments	Advanced
Technology Strength	Powerful Technology Team

Production Process

About Us

Sunrise Foundry is a professional Metal Foundry, located in Ningbo. We have been producing Gray Iron, Ductile Iron Castings and any other precision castings for more than 25 years.

We are dedicated to meet different requirements of various customers across the world, products are mainly involved Agricultural and Construction Machinery, Hydraulic, Mining industry, Municipal Products, some steel and stainless steel castings for Pumps and Valves, Pipe Fittings, etc.

Please feel free to contact us if you have any requests.

Quality Control

CMM

Tensile Test Machine

Please feel free to contact us if you have any requests. The best price can be provided with drawings or samples available

We look forward to working together with you.

OEM/ODM

All our products are OEM. Parts are totally made according to customers' drawings and requirements. Customers' drawings and designs are kept as confidential!

Why Choose Us

1. Our strong R & D and QC department can control the products to meet your strict requirement.
2. Different kinds of finish available, like anodized, power coating, painting, polishing, plating, etc.
3. Different dimensions according to the client's request.
4. Can provide various sizes and packing according to specific requirements.
5. We offer the engineer consultation to your design for production improvement and cost saving.
6. Customized and tailored orders are welcome.
7. High quality and delivery on time.
8. Long-term cooperation with international famous enterprises.
