

Silica Sol Investment Casting Stainless Steel 316 Handwheel for Valve

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC9742
- Certification: ISO9001,CE,SGS
- Model Number: 9742
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000-80,000 pcs monthly

Product Specification

- Material: Stainless Steel
- Application: Valve Part
- Process: Precision Investment Casting
- Standard: ASTM,ANSI,JIS,DIN,EN,GB And Etc.
- Size: As Per Drawing
- OEM: Available

Product Description

Silica Sol Investment Casting Stainless Steel 316 Handwheel for Valve

Product Detail

Investment casting (lost wax casting)	Stainless steel casting Alloy steel casting Carbon steel casting Bronze and Brass casting Aluminum casting
Sand casting	Clay wet sand type Resin sand casting Water glass sand casting
Machining	Drilling, Reaming and tapping CNC Turning machining CNC Milling machining
Heat treatment	Annealing Solution Normalizing Tempering Quenching Induction hardening Hardening and tempering
Surface treatment	Manual polishing Electro-polishing Electro-plating Power coating Tumbling

Production Process

Permutations

Automated grout blasting

Automatic drying

Shell burning

Pouring

About Us

The company adopts the silica sol shell technology, mainly produce the precision castings of various metals. Our products are widely used in automobiles, ships, construction, medical equipment, food machinery and pipeline valves and other industries.

The company has built up a complete quality control system based on its powerful management team and various inspections and testings devices such as dimensional inspection, chemical composition analysis, mechanical property tests, non-destructive tests and metallographic inspections.
