

Stainless Steel Casting Step Bolts Screw

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC4239
- Certification: ISO9001,CE,SGS
- Model Number: 4239
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000-80,000 pcs monthly

Product Specification

- Item Name: Step Bolts Screw
- Material: Stainless Steel
- Process: Precision Investment Casting
- Surface: Plain, Chrome Plated, Silver Plated
- Size: As Per Drawing
- Tolerance: CT5
- Inspection: 100%

Product Description

Stainless Steel Casting Step Bolts Screw

Product Details

Castings Process	stainless steel alloy precision casting ,lost wax casting, investment casting
Meet Standard	ANSI, BS, DIN, JIS,ASTM,ASME,AISI.etc
Processing	precision casting lost wax casting investment casting
Material	Stainless steel;Cast steel; Cast iron;
Weight Ranges	0.01kg-120KG
Tolernace	Controlled by ISO 8062, CT4-6
Design Support	Pro-E, UG,SolidWorks,AutoCad, PDF
Products Application	Automotive industry, Bicycle and motorcycle, Door and windows and furniture, Household appliance, Gas meter, Power tool,Medical,instrument parts, ect.

Production Process

About Us

Sunrise Foundry provides lost wax castings parts and CNC Machining parts for about 20 yeas, including carbon steel, alloy steel, stainless steel parts,export to many countries,we have many customers in europe, America and Japan and so on.Our production process is in accordance with the IATF16949 (better than ISO 9001)quality management system, we have strict quality management of the production process control system.

Quality Control

Quality Control is one of the most important process in production. We insist that 100% inspection before shipment and ensure parts without any flaws when sending out.

We have complete quality inspection facilities including mechanical testing, chemical analysis, tensile strength, hardness, spectrometer, ultrasonic testing, etc.

CMM

Tensile Test Machine

FAQ

How to guarantee the Quality.

A: Yes, we have strict control of the quality from the raw material to finished products according to ISO9001 QC system. We guarantee all products are 100% qualified and backed by lifetime warranty.

How will you delivery my order?

A: Normally for the order quantity less than 45 kgs, we send by Express; from 45-200kgs we suggest to send by Air. For Bulk order, we will send by Sea. It all depends, we will compare and find the best solutions
