

Carbon Steel Casting Parts Silicone Precision Casting Parts

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC5612
- Certification: ISO9001,CE,SGS
- Model Number: 5612
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000-80,000 pcs monthly

Product Specification

- Material: Carbon Steel
- Application: Machinery Part
- Process: Precision Investment Casting
- Finish: Sandblasting
- Tolerance: CT5-CT7
- OEM: Available

Product Description

Carbon Steel Casting Parts Silicone Precision Casting Parts

Product Details

Material	Carbon steel, alloy steelstainless steel...
craft	Lost wax casting+machining
Dimensional tolerance ofcastings	CT7
Casting surface roughness	Ra12.5μm
Casting size	Maximum linear dimension:1200mm.maximumdiameter: 600mm.
Weight range	0.1-90KG
machining precision	Positioning accuracy: 0.008m,repeatedpositioning accuracy: 0.006mm.
surfaceroughness	Ra0.8-63&mu:m
Maximum spindle stroke	1800mm*850mm*700mm
Maximum cuttina diameter	1000mm

Production Process

About Us

Sunrise Foundry is a precision casting enterprise specializing in producing more than 100 kinds of materials such as precision casting, carbon steel, stainless steel and alloy steel.

Since its establishment in 1996, the foundry has been making its mark in the industry by relying on perfect management means, strong technical strength, complete physical and chemical testing equipment and continuous creativity.

The company has perfect investment casting production equipment, machining equipment and advanced physical and chemical analysis and testing equipment, which can meet the requirements of product and performance testing.

The products produced by our company are widely used in the field of machinery manufacturing and processing industry, covering railways, agricultural machinery, construction machinery, automobiles and trucks, ships, mining machinery, petroleum machinery, construction, valves and pumps, electromechanical, hardware tools, electrical equipment and other industries, and are exported to various countries and regions including the United States, Germany, Japan, South Korea and Europe. The company has strong strength and currently has more than 200 employees.

FAQ

1. who are we?

We are based in Zhejiang, China, start from 2023, sell to North America(20.00%), Central America(20.00%), Eastern Europe(10.00%), Mid East(10.00%), Eastern Asia(10.00%), Western Europe(10.00%), Northern Europe(10.00%), Southern Europe(10.00%). There are total about 101-200 people in our office.

2. how can we guarantee quality?

Always a pre-production sample before mass production;
Always final Inspection before shipment;

3. what can you buy from us?

Investment casting, Precision casting, Alloy steel stainless steel casting, Lost wax casting, Valve casting

4. why should you buy from us not from other suppliers?

Weitao machinery was established in 1993, with more than 100 employees. Its business includes customized investment casting, valve casting, alloy steel stainless steel casting, lost wax casting and so on, and its products are exported to various countries.
