

High Precision Carbon Steel Investment Casting Forklift Parts

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC0314
- Certification: ISO9001,CE,SGS
- Model Number: 0314
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000-80,000 pcs monthly

Product Specification

- Material: Carbon Steel
- Process: Precision Investment Casting
- Application: Forklift Parts
- Tolerance: CT5-CT7
- Size: Customized
- OEM: Available

Product Description

High Precision Carbon Steel Investment Casting Forklift Parts

Product Detail

material	Carbon steel, alloy steel, stainless steel
craft	Lost wax casting+machining
Dimensional tolerance of castings	CT5-CT7
Casting surface roughness	Ra 12.5um
Weight range	0.1-90kg
surface roughness	Ra0.8~6.3um
Standard	GB, ASTM, AISI, DIN, BS, JIS, NF, AS, AAR.....
surface treatment	Electrophoretic paint, galvanization, mirror polishing, sandblasting, pickling, black oxidation, painting, hot galvanizing, plastic spraying and nickel plating.
provide services	OEM & ODM
quality control	No defects, full inspection before packaging.

Production Process

About Us

Sunrise Foundry is a professional Metal Foundry, located in Ningbo. We have been producing Gray Iron, Ductile Iron Castings and any other precision castings for more than 25 years.

We are dedicated to meet different requirements of various customers across the world, products are mainly involved Agricultural and Construction Machinery, Hydraulic, Mining industry, Municipal Products, some steel and stainless steel castings for Pumps and Valves, Pipe Fittings, etc.

Please feel free to contact us if you have any requests.

Quality Control

CMM

Tensile Test Machine

Why Choose Us

1. Our strong R & D and QC department can control the products to meet your strict requirement.
2. Different kinds of finish available, like anodized, power coating, painting, polishing, plating, etc.
3. Different dimensions according to the client's request.
4. Can provide various sizes and packing according to specific requirements.
5. We offer the engineer consultation to your design for production improvement and cost saving.
6. Customized and tailored orders are welcome.
7. High quality and delivery on time.
8. Long-term cooperation with international famous enterprises.

FAQ

How about your delivery time ?

15-20 days for glass fittings. 25-30 days for OEM fittings .

how about your payment terms?

T/T, Paypal, Visa

What's the output one month?

1000tons/Month.

Can you do the any metal products according to our design?

Yes, but the drawing or sample is needed

What surface treatment for the products your factory can offer?

Mirror, Chrome, Satin, Brushed ,Power coated, Electrolytic polishing
