

Precision Investment Casting Mechanical Vehicle Accessories Train Ship Part

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC0831
- Certification: ISO9001,CE,SGS
- Model Number: 0831
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000-80,000 pcs monthly

Product Specification

- Item Name: Vehicle Accessories Train Ship Part
- Material: Carbon Steel
- Process: Precision Investment Casting
- Tolerance: CT5-CT7
- Finish: Sandblasting
- Size: As Per Drawing

Product Description

Precision Investment Casting Mechanical Vehicle Accessories Train Ship Part

Product Details

Material	Stainless steel,Carbon steel, Alloy steel,heat-resistant steel,harden steel,mild steel
	Brass Aluminium
Available Inspection	Chemical Composition Analysis; Mechanical propertytest report, Dimension Inspection; X-Ray inspection Metallographic inspection
Production Ability	Weight:0.002-80KG
	Diameter:0.001-1000mm
	Surface roughness:20S-100 RMS
Standard	AISI,ATSM,UNI,DIN,JIS,GB
Drawing profile	2D,3D,jpg,pdf,lgs,Stp...
Application	Mechanical Components Marine hardware Construction hardware Auto parts and accessories Medical Instrument parts pump & valve parts and accessories Impellers and propellers(propellors) Pipe Fittings or pipeline accessories Fluid equipment parts Semiconductor parts

Production Process

About Us

Sunrise Foundry is specializing in producing more than 100 kinds of materials such as precision casting, carbon steel, stainless steel and alloy steel. Since its establishment in 1996, the foundry has been making its mark in the industry by relying on perfect management means, strong technical strength, complete physical and chemical testing equipment and continuous creativity.

The company has perfect investment casting production equipment, machining equipment and advanced physical and chemical analysis and testing equipment, which can meet the requirements of product and performance testing. The products produced by our company are widely used in the field of machinery manufacturing and processing industry, covering railways, agricultural machinery, construction machinery, automobiles and trucks, ships, mining machinery, petroleum machinery, construction, valves and pumps, electromechanical, hardware tools, electrical equipment and other industries, and are exported to various countries and regions including the United States, Germany, Japan, South Korea and Europe. The company has strong strength and currently has more than 200 employees.

Quality Control

Tensile Test Machine

FAQ

how can we guarantee quality?

Always a pre-production sample before mass production;
Always final Inspection before shipment;

what can you buy from us?

Investment casting, Precision casting, Alloy steel stainless steel casting, Lost wax casting, Valve casting

why should you buy from us not from other suppliers?

Weitao machinery was established in 1993, with more than 100 employees. Its business includes customized investment casting, valve casting, alloy steel stainless steel casting, lost wax casting and so on, and its products are exported to various countries.
