

316 304 Stainless Steel Precision Silica Sol Investment Casting Construction Machinery Parts

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC6412
- Certification: ISO9001,CE,SGS
- Model Number: 6412
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000-80,000 pcs monthly

Product Specification

- Material: Stainless Steel
- Application: Construction Machinery Parts
- Process: Precision Investment Casting
- Surface Treatment: Polishing
- Tolerance: Customer's Drawing Request
- OEM: Available

Product Description

316 304 Stainless Steel Precision Silica Sol Investment Casting Construction Machinery Parts

Product Details

Main material	A356/A319/A413/ZL101/ZL102/ZL104/ZL107/LM6/LM/20/LM25/Carbon steel/Mild steel/Cold roll steel/Hot roll steel/Zinc plate/Stainless steel/ Aluminum/ SECC/SGCC/ SPCC/SPHC
Process	Investment casting+machining+surface treatment
Machining equipment	10 sets CNC center, 12 sets CNC lathe, drilling equipment, turning equipment...
Casting tolerance	±0.02-0.05, or as drawing require.
Machining tolerance	Up to IT7, Ra 0.8~3.2 , according to customer requirement
Surface treatment	Shot/sand blast, polishing, Surface passivation, Primer Painting , Powder coating, ED-Coating, Chromate Plating, zinc-plate, Dacromat coating, Finish Painting,
Application&serve	Metal Parts Solution for Vehicle, Agriculture machine, Construction Machine, transportation equipment, Valve and Pump system, such as engine bracket, truck chassis bracket, gear housing , gear cover, pulley, flange, connection pipe, pipe, hydraulic valve , valve housing ,Fitting , flange, wheel, fly wheel, oil pump housing, starter housing, coolant pump housing, transmission shaft , transmission gear, sprocket, chains etc.
Capacity	500 tons per year
Drawing format	Various type of 2D or 3D drawings are acceptable,such as JPG, PDF, DWG, DXF,IGS, STP, X_T, SLDPRPT etc.

Production Process

About Us

Sunrise Foundry is a professional Metal Foundry, located in Ningbo. We have been producing Gray Iron, Ductile Iron Castings and and any other precision castings for more than 25 years.

We are dedicated to meet different requirements of various customers across the world, products are mainly involved Agricultural and Construction Machinery, Hydraulic, Mining industry, Municipal Products, some steel and stainless steel castings for Pumps and Valves, Pipe Fittings, etc.

Please feel free to contact us if you have any requests.

FAQ

FAQ

1. who are we

We are based in Zhejiang, China, start from 2004, sell to Western Europe(70.00%), North America(16.00%), Eastern Asia(7.00%), Oceania(4.00%), Domestic Market(3.00%). There are total about 101-200 people in our office.

2. how can we guarantee quality?

Always a pre-production sample before mass production;

Always final Inspection before shipment;

3. what can you buy from us?

Investment Casting

4. why should you buy from us not from other suppliers?

1. Process control follows the IATF 16949:2016 certification and ISO14001-2015. 2. We are good at producing the complex metal precision castings and supporting multiple categories, small batch customization production, according to drawings or samples.
