

CNC Machining Precision Stainless Steel Castings Services

Our Product Introduction

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC8341
- Certification: ISO9001,CE,SGS
- Model Number: 8341
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000-80,000 pcs monthly

Product Specification

- Material: Stainless Steel
- Process: Precision Investment Casting
- Surface Treatment: Shot Blasting
- Size: As Per Drawing
- Tolerance: 0.1-0.5
- Inspection: Pressure Test, Sealing Test

Product Description

CNC Machining Precision Stainless Steel Castings Services

Product Details

Material	Stainless steel, alloy steel , carbon steel
Machining Equipment	3-5 axis cnc milling machines, CNC lathes, EDM machines, Grinding machines, laser cutting machine, bending machine, welding machine.
Finish	Sand blasting, Color anodize, Brushing, Polishing, Plating, Painting
Inspection equipment	CMM, Tool microscope, multi-joint arm, Dial gauge, Marble platform, Roughness measurement, Digital height gauge, caliper, Projection machine, Hardness tester and so on.
Drawing Formats	Solid Works,Pro/Engineer, AutoCAD(DXF,DWG), PDF,TIF etc.
Packaging	1.Standard strong carton package + Pallet/ Wooden case
	2. Per customer's requirements
Delivery	Sample: 5-10 days
	Mass Production: 15-30 days depends on quantities
Process capability	We can work with your design team or handle the design work for you, build prototypes, and perform design validation and testing. Then design and implement value-line manufacturing processes including any and all finish types needed. We can assemble your product and manufacturing your packaging including full print services.
Application	Aerospace, Aviation, Agriculture, Marine, Electronic, Automobile, Communication, Drone, Medical, Solar energy, Home Appliance, etc

Production Process

About Us

Sunrise Foundry is a professional Metal Foundry, located in Ningbo. We have been producing Gray Iron, Ductile Iron Castings and any other precision castings for more than 25 years.

We are dedicated to meet different requirements of various customers across the world, products are mainly involved Agricultural and Construction Machinery, Hydraulic, Mining industry, Municipal Products, some steel and stainless steel castings for Pumps and Valves, Pipe Fittings, etc.

Please feel free to contact us if you have any requests.

Quality Control

CMM

Tensile Test Machine

FAQ

1. Q: Are you a factory or trading company?

A: We are a factory. We have more than 25 years experiences in making prototypes business which located in Ningbo City.

2. Q: Do you provide samples? Is it free or extra?

A: Yes, we could offer the sample for free charge but do not pay the cost of freight.

3. Q: Could you place an order through alibaba trade 100% assurance?

A: Sure, you can also use the credit card for payment. We will prepare a present for you if you used alibaba trade assurance.

4. Q: Do you have any products in stock?

A: Sorry, all of the products parts are customized design.

5. Q: How could be the procedure if I need make the prototype?

A: If you have drawings or samples, pls feel free to send us, and tell us your special requirements such as material, tolerance, surface treatments and the amount you need.
