

ASTM 60-40-18 Ductile Iron Coated Resin Sand Casting

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC5731
- Certification: ISO9001,CE,SGS
- Model Number: 5731
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000-80,000 pcs monthly

Product Specification

- Material: Ductile Iron
- Process: Resin Sand Casting
- Application: Machinery Part
- Finish: Sand Blasting, Machining, Painting
- Size: As Per Drawing
- OEM: Available

Product Description

ASTM 60-40-18 Ductile Iron Coated Resin Sand Casting

Product Details

Material	Ductile/ Gray iron/steel
Process	Sand Casting, shell casting, centrifugal casting
Surface Treatment	Sand blasting , Polishing, painting, Powder Casting, Plating, Bead Blasting...
Casting Tolerance	CT7-CT12 or according to customers' requirements
Weight/kg	0.05-100kg
Quality Control	Material, Dimension,Performance,inside defects,Balance test
OEM/ODM parts range	Auto parts, electronic parts, furniture parts, home appliance and other industrial uses
Certifications	TS 16949 , ISO 9001

Production Process

About Us

Sunrise Foundry is a professional Metal Foundry, located in Ningbo. We have been producing Gray Iron, Ductile Iron Castings and any other precision castings for more than 25 years.

We are dedicated to meet different requirements of various customers across the world, products are mainly involved Agricultural and Construction Machinery, Hydraulic, Mining industry, Municipal Products, some steel and stainless steel castings for Pumps and Valves, Pipe Fittings, etc.

Please feel free to contact us if you have any requests.

Product Show

Quality Control

We have the chemical elements' analysis centre and the mechanical testing centre which include the following quality control measures:

1. Spectrographic analysis, magnaflux crack detection, ultrasonic detection, dynamic fatigue testing, hardness testing, proof and ultimate breaking strength test...
2. TUV DIN EN ISO 9001: 2000 & ISO/TS16949 available.
3. The good quality control is the key to keep long term cooperation.
4. Material report, dimension report and photos will be sent to customer

FAQ

Q: How can I get the quotation?

A: Please send us the drawing, quantity, weight and material of the product.

Q: If we don't have drawing, can you make drawing for me?

A: Yes, we are able to make the drawing of your samples and duplicate the samples.

Q: What kind of file can you read?

A: PDF, IGS, DWG, STEP, etc...

Q: What is your way of packing?

A: Normally we pack goods according to customers' requirement. For reference: wrapping paper, carton box, wooden case, pallet.

Q: When can I get the samples and your main order time?

A: For samples: 30-40 days after start to make mold. For order: 35-40 days, the accurate time depends on product.
