

Ductile Cast Iron Foundry Sand Casting Parts Bracket Mounting

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC6731
- Certification: ISO9001,CE,SGS
- Model Number: 6731
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000-80,000 pcs monthly

Product Specification

- Item Name: Bracket Mounting
- Material: Ductile Iron
- Process: Sand Casting
- Size: As Per Drawing
- Finish: Sand Blasting, Machining, Painting
- OEM: Available

Product Description

Ductile Cast Iron Foundry Sand Casting Parts Bracket Mounting

Product Details

Material	Steel, gray iron, ductile iron, stainless steel, aluminum, etc
Service	Sand casting, investment casting, gravity casting, high pressure die casting, low pressure die casting
Casting roughness grade	Grade 3
Testing facility	CMM dimension report, flaw detection, spectrometer, roughness meter
Certificate	ISO9001
Processing method	Casting, CNC, milling, turning, 5 Axis
Surface treatment	Painting, oxidation, polishing, electrophoresis, electroplating, etc
Application	Aluminum casting: include automotive parts, railroad parts, medical parts, marine parts, lighting parts, pump body, valve parts, architectural parts and furniture parts so on Cast iron/steel casting: Important components of automobiles, supporting structures and drainage systems in buildings, agricultural machinery parts, ship parts, railway, mining machinery parts, and so on.

Production Process

About Us

Supreme Machinery is a manufacturer with factory who has a strong products develop team with many experienced workers; We are manufacturing the custom parts from your drawings or existing samples.

We can make the parts with ductile iron, gray iron, **carbon steel, aluminum, stainless steel**, etc

Our objective is to develop and produce merchandise to meet your exact specifications and offer an extensive range of styles to ensure that we can satisfy your expectations and budget.

We have set up a quality control system depending on exported to America-Europe countries many years. Our inspectors are carefully checking every detail of the products before shipping, making sure that the products are correct according to requires.

FAQ

1.Q: What should I offer to get the price?

A: Please provide us with your drawings (material, dimensions, surface treatment, tolerances or other technical requirements), quantities, applications or samples, and then we will provide you with a more accurate and reasonable price.

2.Q: What is your minimum order quantity?

A: We accept small orders, even sample orders.

3.Q: Are you a factory or a trading company?

A: We are a trading company, but with our own factory, we provide you with a one-stop service from mold design to finished parts.

4.Q: What is your delivery time?

A: It depends on your casting size, technical requirements and quantity, under normal circumstances, sample within 25 working days, mass production within 60 working days.
