

## Ductile Iron Sand Casting Parts Automobile Engine Rocker Arm

Our Product Introduction

for more products please visit us on [greycastironcasting.com](http://greycastironcasting.com)

### Basic Information

- Place of Origin: Mainland China
- Brand Name: NC9741
- Certification: ISO9001,CE,SGS
- Model Number: 9741
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000-80,000 pcs monthly

### Product Specification

- Item Name: Engine Rocker Arm
- Application: Auto Parts
- Material: Ductile Iron
- Process: Sand Casting
- Size: As Per Drawing
- Finish: Sand Blasting, Machining, Painting
- OEM: Available
- Inspection: Pressure Test, Sealing Test

## Product Description

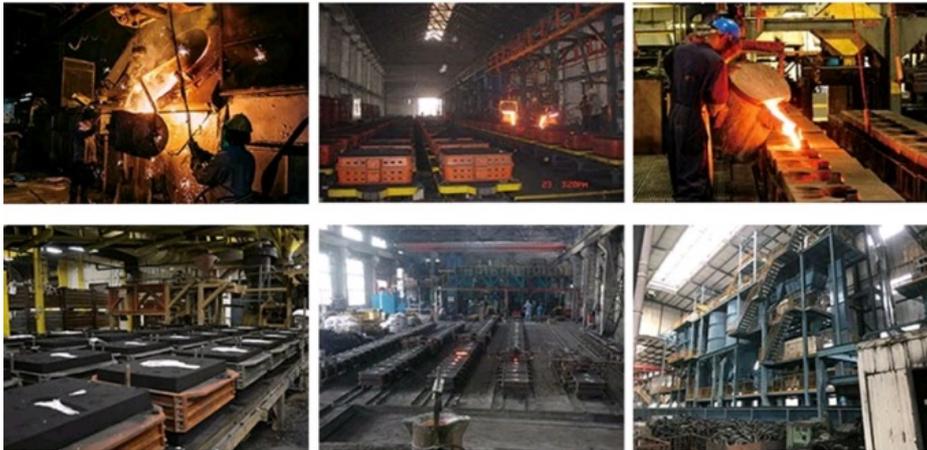

### Ductile Iron Sand Casting Parts Automobile Engine Rocker Arm

#### Product Details

Material	Grey Iron, Ductile Iron etc
Application	Auto Parts, Machinery Parts, Industrial Equipment etc
Surface treatment	Customers' Demand
Process	die casting, sand casting and gravity casting
Dimensions	Design or produce as customers' drawings
Size	Customer's Request
Technics	Casting
Service	OEMODM
Quality Control	Professional Inspection
Certification	ISO9001

#### Production Process

### WorkShop

#### About Us

We can design and produce kinds of ductile /gray iron casting according to the drawings you provide, and process them into finished or semi-finished products according to your requirements!

We sales all kinds of cast iron cast steel products, such as fittings, auto parts, construction machinery, agricultural machinery parts, mining machinery parts, industrial pump body, valve and accessories professional castings.

#### Quality Control

CMM

Tensile Test Machine

#### FAQ

**Q: What's payment you can accept?**

A:T/T(Bank transfer), Western Union, Money Gram , Paypal , Trade Assurance , L/C, etc.

**Q:How about quality of products?**

A: We strictly control every detail of the products. Each product is inspected before leaving factory.

**Q: How about the lead time?**

A: Generally it is 5~10 days if the goods are in stock.Or it is 45 days if the goods are not in stock, it is according to quantity.

**Q: Are you manufacturer?**

A: Yes, we are a multispecialty factory, specializing in cnc machining part, cnc turning parts, die casting part, iron casting part, forging parts, stamping parts, sheet metal fabrication, plastic injection parts and aluminum extrusion service.

**Q:Do you accept customized orders?**

A: Yes. With design team, OEM and ODM orders are highly welcome.
