

Ductile Iron Casting Iron Sand Casting Parts Wing Shaped Nut

Our Product Introduction

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC0845
- Certification: ISO9001,CE,SGS
- Model Number: 0845
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000-80,000 pcs monthly

Product Specification

- Product: Wing Shaped Nut
- Material: Ductile Iron
- Application: Construction Industry
- Process: Sand Casting
- Size: As Per Drawing
- OEM: Available

Product Description

Ductile Iron Casting Iron Sand Casting Parts Wing Shaped Nut

Product Details

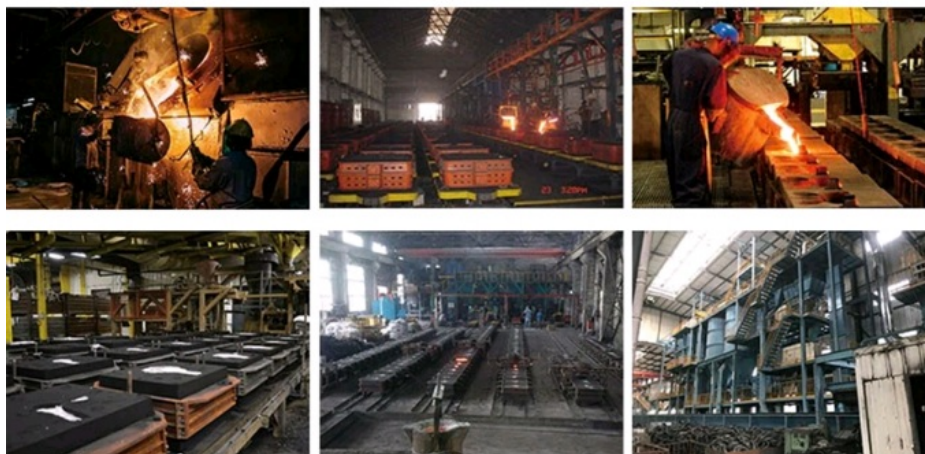

Machining Material Range	arbon steel, alloy steel, stainless steel, cast iron, aluminum alloy, copper alloy
Main machines	four-axis horizontal machining center, four-axis vertical machining center, CNC milling machine, CNC lathe, turning and milling center, drilling and tapping center, CNC drilling machine, multi-station special machine
Machine Accuracy positioning accuracy	±0.004mm, repeatability±0.003mm
Maximum Cutting Diameter	φ1000mm
Maximum Machining Length	1800mm
Maximum Travel (x,y,z axis)	1800x850x700mm
Maximum Spindle Speed	12000 r/min
Maximum Workpiece Weight	2500kgs
Machining Surface Roughness Range	Ra0.8 ~ 6.3um

About Us

Sunrise Fundry is a casting enterprise integrating casting, machine processing, heat treatment, painting and so on. Our company mainly produces ordinary gray iron, ductile iron and Aube ductile iron (adi) casting products, mainly for heavy vehicles, railway equipment, machinery and other supporting equipment. Our company's main production process is shell mold casting process combined with the production line. . Our advantage lies in the production of high grade ductile iron: QT500-7, QT600-3, QT700-2, QT800-8, QT1050-7, QT1200-4, QT1400-2

FAQ

1.Q: What should I offer to get the price?

A: Please provide us with your drawings (material, dimensions, surface treatment, tolerances or other technical requirements), quantities, applications or samples, and then we will provide you with a more accurate and reasonable price.

2.Q: What is your minimum order quantity?

A: We accept small orders, even sample orders.

3.Q: Are you a factory or a trading company?

A: We are a trading company, but with our own factory, we provide you with a one-stop service from mold design to finished parts.

4.Q: What is your delivery time?

A: It depends on your casting size, technical requirements and quantity, under normal circumstances, sample within 25 working days, mass production within 60 working days.

5.Q: What payment terms do you accept? A: Wire transfer, letter of credit, paypal, Western Union, etc.
