

Precision Stainless Steel Casting Parts Stainless Steel Accessories

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC4635
- Certification: ISO9001,CE,SGS
- Model Number: 4635
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000-80,000 pcs monthly

Product Specification

- Material: Stainless Steel
- Application: Hardware
- Process: Precision Investment Casting
- Size: As Per Drawing
- Finish: Sand Blasting, Machining, Painting
- OEM: Available

Product Description

Precision Stainless Steel Casting Parts Stainless Steel Accessories

Product Details

Material	Carbon Steel /customized
Application	auto parts/ truck parts/ construction machinery parts /agricultural vehicle parts/ mechanical equipment parts/ machine tools /hardware and so on
Process	Casting +Machining(if Need)+surface Treatment
Machining Process	Machining Center
Heat treatment	Tempering/Customized
Manufacturing Process	Sand Casting/Customized
Service	Customized OEM
Quality Control	ISO/TS16949:2002 ISO9001
Surface treatment	Customers' Demand

Production Process

Quality Control

CMM

Tensile Test Machine

FAQ

Q: How can I get the quotation?

A: We will submit the quotation in 24 hours if getting detailed information during working days.
In order to quote for you earlier, please provide us the following information together with your inquiry. 1) 3D Step of Files and 2D Drawings 2) Material requirement 3) Surface treatment 4) Quantity (per order/per month/annual) 5) Any special demands or requirements, such as packing, labels, delivery, etc.

Q: What are the main overseas markets ?

A: regular overseas customers are from the US, the UK, Italy, Germany, France and India etc.

Q: How you do the quality control?

A: 1). Materials inspection by IQC;
2). The first sample inspected by QC, QC will do over check as per the parameters list and critical dimensions requested by customers, to decide if it can go ahead for production;
3). During processing, our IPQC will check the injection molded parts every 2 hours, ensure no any rejects;
4). FQC will check the products before sending to the warehouse;
5). 100% inspected by OQC before shipping out.
