

## Customized Agricultural Machinery Ductile Castings Farm Equipment

### Our Product Introduction

#### Basic Information

- Place of Origin: Mainland China
- Brand Name: NC6251
- Certification: ISO9001,CE,SGS
- Model Number: 6251
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000-80,000 pcs monthly

#### Product Specification

- Material: Ductile Iron
- Application: Farm Equipment
- Process: Sand Casting
- Size: As Per Drawing
- Finish: Sand Blasting, Machining, Painting
- OEM: Available

## Product Description

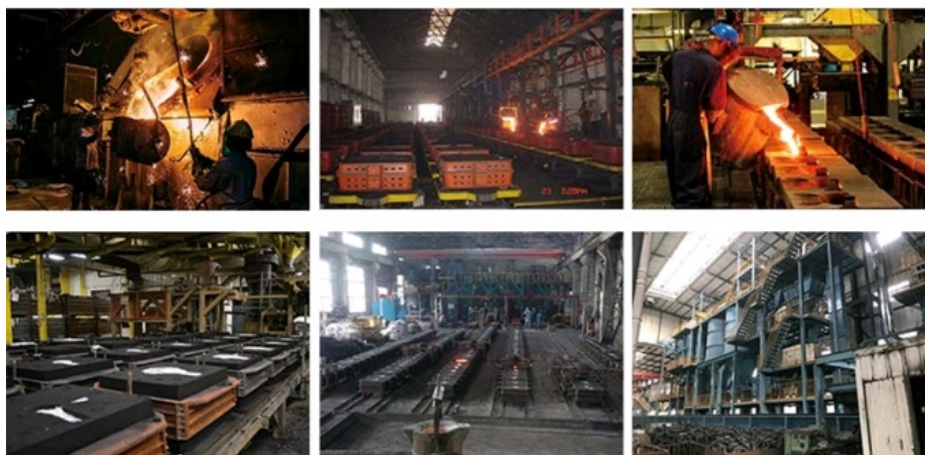

### Customized Agricultural Machinery Ductile Castings Farm Equipment

#### Product Details

Product Name	sand casting /grey iron casting / ductile iron casting /iron casting machining parts
Casting Service	sand casting, Horizontal line automatic moulding, Resin sand moulding
Material	GG20,GG25,GG30 / GGG40,GGG45,GGG50,GGG55,GGG60,GGG70
Tooling Design	We have own R&D team,do DFM & Mode flow analysis
Standard	China GB high precision standard. / Non-standard customization
Surface Finish	Sand blasting, Mill Finishing, electrophoresis , galvanizing, Eco-friendly primer, Antirust oil
Drawing	3D Drawing: .step / .stp /.igs, 2D Drawing: .dxf/ .dwg / .pdf /.jpg / .tif /.bmp
MOQ	300kgs

#### Production Process

#### About Us

We are a professional manufacturer of casting service, specializing in brake disc, brake drum, custom casting part, material can be Steel, Iron, Aluminum, Stainless Steel, Brass etc, . Our factory is certified by IATF16949:2016 and ISO16949:2009.

We provide one-stop custom service from drawing design, rapid prototype, die development, mass production, assemble to delivery. We also have own cnc machining center, providing cnc milling, cnc turning, drilling and cutting service.

We also have aluminum die casting, gravity casting production line and providing different surface finishing options to our customers, having built a strict quality management system according to international standards.

#### Quality Control

CMM

Tensile Test Machine

#### FAQ

1.Q: What should I offer to get the price?

A: Please provide us with your drawings (material, dimensions, surface treatment, tolerances or other technical requirements), quantities, applications or samples, and then we will provide you with a more accurate and reasonable price.

2.Q: What is your minimum order quantity?

A: We accept small orders, even sample orders.

3.Q: Are you a factory or a trading company?

A: We are a trading company, but with our own factory, we provide you with a one-stop service from mold design to finished parts.

4.Q: What is your delivery time?

A: It depends on your casting size, technical requirements and quantity, under normal circumstances, sample within 25 working days, mass production within 60 working days.

5.Q: What payment terms do you accept?

A: Wire transfer, letter of credit, paypal, Western Union, etc.
