

## Precision Steel Casting Parts Casting Services Steel Cap

Our Product Introduction

for more products please visit us on [greycastironcasting.com](http://greycastironcasting.com)

### Basic Information

- Place of Origin: Mainland China
- Brand Name: NC4312
- Certification: ISO9001,CE,SGS
- Model Number: 4312
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000-80,000 pcs monthly

### Product Specification

- Item Name: Steel Cap
- Material: Carbon Steel
- Process: Precision Investment Casting
- Finish: Sand Blasting, Machining, Painting
- Tolerance: CT5-CT7
- Size: As Per Drawing

## Product Description

### Precision Steel Casting Parts Casting Services Steel Cap

#### Product Details

Technology Specification:	Water glass process of lost wax investment casting, Colloidal Silica process of lost wax investment casting
Material Range:	Carbon steel, Alloy steel, Stainless steel
Material Standard:	GB.ASTM. AISI. DIN. BS. JIS. NF. AS. AAR
Sizes	Max linear Size:1200mm;Max Diameter Size: 800 mm
Casting Weight range:	0.010~5.0kgs for Colloidal Silica process 0.2~90Kgs for Water glass process Casting
Dimension Tolerance:	CT5-CT6 Colloidal Silica process CT7-CT8 for Water glass process Casting
Surface Roughness:	Ra 3.2~Ra6.3 for Colloidal Silica process Ra 6.3um~12.5um for Water glass process

#### Production Process

Mature technological process, rich experience, professional large-scale production, effective cost management made us possess the strong comprehensive competitive capability better than other manufactory in this vocation, all these not only show in our high quality, the most attractive price also is our treasure book.

Because of the lowest productive cost in China, so, purchasing casting in China is your best choice. Don't hesitate; our offer will make you a big surprise.

#### About Us

Sunrise Foundry is a professional Metal Foundry, located in Ningbo. We have been producing Gray Iron, Ductile Iron Castings and any other precision castings for more than 25 years.

We are dedicated to meet different requirements of various customers across the world, products are mainly involved Agricultural and Construction Machinery, Hydraulic, Mining industry, Municipal Products, some steel and stainless steel castings for Pumps and Valves, Pipe Fittings, etc.

Please feel free to contact us if you have any requests.

#### Quality Control

CMM

Tensile Test Machine

#### FAQ

**1: What information does the quotation need?**

Pls. offer your drawings and/or samples, quantity and packing's requirements.  
Drawings in PDF, IGS, DWG, STEP, MAX are suitable to us.

**2: What's lead time for samples and products?**

Lead time for samples: 30-70days depend on the structure of the part and other requirements on heat treatment, machining, surface treatment and so on.

Mass production lead time: 35-70days depend on products' characteristics and quantity.

**3: What is the requirement on payment?**

Tooling Cost:100% T/T advanced

Payment for the Order:50% deposit,50% to be paid before shipment.
