

Stainless Steel Precision Casting Hardware Connection Parts

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Mainland China
- Brand Name: NC9321
- Certification: ISO9001,CE,SGS
- Model Number: 9321
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000-80,000 pcs monthly

Product Specification

- Material: Stainless Steel
- Item Name: Hardware Connection Part
- Process: Precision Investment Casting
- Size: As Per Drawing
- Finish: Sand Blasting, Machining, Painting
- Oem: Available

Product Description

Stainless Steel Precision Casting Hardware Connection Parts

Product Details

material	Cast iron, grey iron, ductile iron, steel, stainless steel, brass, copper, aluminum, zinc etc
casting	sand casting, precision casting, investment casting, lost wax casting, die casting,gravity casting
machine	lathe, CNC, drilling machine, milling machine, boring machine, planting machine, machining center etc
surface treatment	powder coating, painting, spraying, galvanization
Inspection equipment	Profile projector, Rockwell hardness tester, Vickers hardness tester roughness tester, air gage, concentricity tester,universal microscope, CMM,digital caliper and etc.
Products Application Field Include	Auto Parts & Accessories Computer Products Electrical & Electronics Industrial Equipment & Components Manufacturing & Processing Machinery Tools & Hardware
Remark	(1) Any RFQ ,Please feel free to send your drawings(CAD.PDF)for quotation . (2) All parts are not in stock ,customized only!

About Us

The company integrates R&D, production, processing, and trade, deeply cultivating in the field of stainless steel products and machinery. It specializes in products such as stainless steel wire, steel wire rope, and precision mechanical processing parts, which are widely used in high-end industries such as petro, aerospace electronics, and mechanical equipment. With outstanding quality and service, the products are popular in domestic and foreign markets, and the company is committed to becoming a partner in the global industrial field.

Quality Control

Tensile Test Machine

FAQ

How can we guarantee quality?

Always a pre-production sample before mass production;
Always final Inspection before shipment;

What can you buy from us?

Steel wire,Steel wire rope,Wire rope fittings,Plastic-coated steel wire rope,Casting part

Why should you buy from us not from other suppliers?

1. Abundant upstream raw material resources.
2. Professional R&D team.
3. High-precision rolling and smelting furnace equipment.
4. Perfect quality management system.
5. Customized services.
