FAQ

1.Q: What should I offer to get the price?

A: Please provide us with your drawings (material, dimensions, surface treatment, tolerances or other technical requirements), quantities, applications or samples, and then we will provide you with a more accurate and reasonable price.

2.Q: What is your minimum order quantity?

A: We accept small orders, even sample orders.

3.Q: Are you a factory or a trading company?

A: We are a trading company, but with our own factory, we provide you with a one-stop service from mold design to finished parts.

4.Q: What is your delivery time?

A: It depends on your casting size, technical requirements and quantity, under normal circumstances, sample within 25 working days, mass production within 60 working days.
