

Stainless Steel Parts Flat Door Hiding Hinge Silica Sol Casting Lost Wax Precision Casting

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: NC3221
- Certification: ISO9001,CE,SGS
- Model Number: 3221
- Minimum Order Quantity: 1000 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 80,000 pcs monthly

Product Specification

- Item Name: Door Hiding Hinge
- Material: Stainless Steel
- Process: Lost Wax Precision Casting
- Tolerance: 0.01-0.05
- Size: Customized
- Surface: Sandblasting

Product Description

Stainless Steel Parts Flat Door Hiding Hinge Silica Sol Casting Lost Wax Precision Casting

Product Details

Parameter	Details
Process	Lost Wax Casting / Investment Casting
Material	Carbon Steel (AISI 1020, 1045, or Customized)
Surface	Sand Blasting, Painting, Galvanizing, or as per request
Size	Customized according to customer's drawings
Application	Disk Harrow, Agricultural Machinery
Tolerance	CT7-CT9 (Can be negotiated for precision needs)

Production Process

About Us

Sunrise Foundry is a professional Metal Foundry, located in Ningbo. We have been producing Gray Iron, Ductile Iron Castings and any other precision castings for more than 25 years.

We are dedicated to meet different requirements of various customers across the world, products are mainly involved Agricultural and Construction Machinery, Hydraulic, Mining industry, Municipal Products, some steel and stainless steel castings for Pumps and Valves, Pipe Fittings, etc.

Please feel free to contact us if you have any requests.

Our Advantages

1. We are good at customized products. Design, development, production and delivery based on your drawings, samples or even just an idea. Even include logo customization, packaging customization and logistics. We can all satisfy you in every way. From 2D and 3D drawing to sample delivery, we will make individual Quality Control Plan. From incoming control, process control, to final Inspection and Pre-Shipment Inspection, we strive for excellence at every step to give our customers the best results.
2. From R&D, Project Consulting, to Technical Support, Quality Control, and Logistics, Customer Service, Installation Instructions, etc. we provide refined one-stop service.
3. We specialize in OEM customization services, capable of processing and surface treating various materials such as steel, copper, and aluminum, including painting, powder coating, galvanizing, anodizing, and more.
4. With our reliable quality, patient service and win-win cooperation attitude, we have won a large number of online sales platform customers.
