

Carbon Steel Spring Seat Agricultural Machinery Casting

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: China
- Brand Name: NC4612
- Certification: ISO9001,CE,SGS
- Model Number: 4612
- Minimum Order Quantity: 1000 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 80,000 pcs monthly

Product Specification

- Item Name: Spring Seat
- Material: Steel
- Process: Lost Wax Casting
- Casting Tolerance: CT7 To CT9
- Heat Treatment: Normalizing/ Annealing
- Application: Agricultural Machinery;Disk Harrow
- Inspection Item: Chemical Composition, Tensile Strength, Elongation, Hardness

Product Description

Carbon Steel Spring Seat Agricultural Machinery Casting

Product Details

Model Number	OEM & ODM
OEM	Acceptable
Materials	Low temperature and low alloy structural steel
Weight	1.98kg
Manufacturing Process	Lost Wax Casting Parts;Sodium silicate process ,Heatment;
CastingTolerance	CT7 to CT9
Heat Treatment	Normalizing/ Annealing
Inspection Item	Chemical composition, Tensile strength, Elongation, Hardness
Application	Engineering Machinery Parts;Parts for truck mixer project
Package	Carton
Payment Term	T/T, L/C

Production Process

About Us

Sunrise Foundry is a professional Metal Foundry, located in Ningbo. We have been producing Gray Iron, Ductile Iron Castings and any other precision castings for more than 25 years.

We are dedicated to meet different requirements of various customers across the world, products are mainly involved Agricultural and Construction Machinery, Hydraulic, Mining industry, Municipal Products, some steel and stainless steel castings for Pumps and Valves, Pipe Fittings, etc.

Please feel free to contact us if you have any requests.

FAQ

1. who are we?

We are a factory specializing in the processing of casting parts, forging parts and various types of metal parts. We have a highly skilled and experienced technical team that provides customized processing services. Based on the specific requirements of our customers, we design and manufacture products made of carbon steel, iron, aluminum, copper, stainless steel and other materials, including casting, polishing, plastic spraying and electroplating, to meet their processing needs.

2. how can we guarantee quality?

Always a pre-production sample before mass production;
Always final Inspection before shipment;

3.what can you buy from us?

Casting Service,Forging Service,Sand Casting,Casting Parts,CNC Machined Parts

4. why should you buy from us not from other suppliers?

We are a factory that has been dedicated to the processing of casting parts, forging parts and various types of metal parts for 30 years. We have a highly skilled and experienced technical team that provides customized processing services.
