

304 316 Stainless Steel Lost Wax Investment Casting Equipment Accessories Parts

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: China
- Brand Name: NC9831
- Certification: ISO9001,CE,SGS
- Model Number: 9831
- Minimum Order Quantity: 1000 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 80,000 pcs monthly

Product Specification

- Material: 304 316 Stainless Steel
- Process: Lost Wax Investment Casting
- Application: Equipment Accessories Parts
- Finish: Customized
- Tolerance: 0.01-0.05
- OEM: Available

About Us

Sunrise Foundry specializes in stainless steel lost wax precision investment castings, and the fabrication and sale of valves, pipe fittings and sanitary fittings. We can also design and develop as per customers' requests.

At present, our product categories include quick couplings, sanitary unions and various types of fittings. Tailor-designed machining is also available. Our products are made in accordance with API, ANSI, DIN, BS, and JIS standards. We ensure interior and exterior quality with advanced silica wax-lost casting technology and high-precision CNC lathes, as well as sophisticated spectrum analyzers and chemical analyzers, metallurgical microscopes, a hardness tester and universal testing machine.

We have sold to buyers in countries such as the USA, Canada, Germany, Italy, Spain, Japan, Turkey and others. We impress our customers with superior quality, perfect services, affordable prices and prompt delivery. We welcome all customers worldwide to work together with us for a brighter future.
