

Steel Water Glass Casting Agricultural Construction Machinery

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: China
- Brand Name: NC8734
- Certification: ISO9001,CE,SGS
- Model Number: 8734
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 80,000 pcs monthly

Product Specification

- Material: Steel
- Application: Construction Machinery
- Process: Investment Casting
- Finish: Sandblasting
- Size: Customized
- OEM: Available

Product Description

Steel Water Glass Casting Agricultural Construction Machinery

Product Detail

Material	Carbon Steel, Stainless Steel, Alloy Steel
Size	1) According to customers' drawings
	2) According to customers' samples
Application	Applications in furniture and household appliances
Color	As Machined, Black, White, Red, Green, Brown, Blue, etc
Logo Branding	Mold engraving, Silkscreen Printing and Pad Printing
Casting Solution	A high-efficiency metal forming process utilizing pressurized injection of molten metal into a precision-engineered mold cavity
MOQ	500
Surface treatment	Polishing, brushing, chrome plating, electroplating, powder coating
Quality control	100% inspection before packing

Production Process

Factory Introduction

Sunrise Foundry is a leading precision machining specialist, dedicated to delivering high-quality machining equipment, components, and tailored solutions. We combine advanced domestic and international manufacturing techniques with continuous R&D investment to deliver precise, reliable parts that meet the most demanding industry standards. Our Core Product Portfolio: Precision metal components (shafts, discs, brackets, custom non-standard structural parts) Integrated parts for industrial automation systems Custom fixtures, jigs, and tooling Full-service custom machining from drawings or samples Our components are trusted across the automotive, new energy, construction machinery, and medical device sectors. We serve clients nationwide and export globally to Europe, North America, Southeast Asia, and the Middle East. Guided by our commitment to "Technology First, Quality First, Service Supreme", we ensure consistent performance and exceptional support for every project.

Tensile Test Machine

FAQ

Are you a manufacturer or trading company?

We're a Zhejiang - based factory with 20 - year production and international trade experience. Our 30,000 - square - meter plant and 248 - member production team serve you.

How to get a quotation?

Provide detailed design files (PDF, STEP, IGS, DWG). Include quality, delivery, material, quantity, surface treatment info. More details ensure more accurate quotes.

Can I get a quote without design files?

Yes. Send parts or share ideas. Our engineers offer free design. Samples, pics or sketches work as references for competitive quotes.
