

ASTM A216 WCB Cast Steel Valve Body Investment Casting

Basic Information

- Place of Origin: China
- Brand Name: NC3521
- Certification: ISO9001.CE,SGS
- Model Number: 3521
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 80,000 pcs monthly

Product Specification

- Item Name: Valve Body
- Process: Investment Casting
- Size: Customized
- Finish: Sand Blasting+ Painting
- Standard: ASTM A216 WCB
- OEM/ODM: Accepted

Product Description

ASTM A216 WCB Cast Steel Valve Body Investment Casting

Production Details

Product Name	Valve Body	Is it customized	Customization based on pictures and samples is available
Brand	NC	Material	carbon steel, alloy steel, stainless steel, copper, aluminum, iron and other materials
Product technology	sand casting, permanent mold casting, investment casting, die-casting		
Surface treatment	Pickling, buffing, sandblasting, electrolysis, electroplating, blackening, etc		
Product processing	We have various processing equipment such as CNC and machining to meet your various processing needs		

Production Process

CMM

Tensile Test Machine

About Us

Sunrise Foundry is a leading precision machining specialist, dedicated to delivering high-quality machining equipment, components, and tailored solutions. We combine advanced domestic and international manufacturing techniques with continuous R&D investment to deliver precise, reliable parts that meet the most demanding industry standards. Our Core Product Portfolio: Precision metal components (shafts, discs, brackets, custom non-standard structural parts) Integrated parts for industrial automation systems Custom fixtures, jigs, and tooling Full-service custom machining from drawings or samples Our components are trusted across the automotive, new energy, construction machinery, and medical device sectors. We serve clients nationwide and export globally to Europe, North America, Southeast Asia, and the Middle East. Guided by our commitment to "Technology First, Quality First, Service Supreme", we ensure consistent performance and exceptional support for every project.
