

Water Glass Casting Track Plates for Excavators Construction Machinery

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: China
- Brand Name: NC9832
- Certification: ISO9001,CE,SGS
- Model Number: 9832
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

Product Specification

- Item Name: Track Plates
- Application: Excavators Construction
- Process: Water Glass Casting
- Material: Carbon Steel
- Size: Customized
- Inspection: 100%

Product Description

Water Glass Casting Track Plates for Excavators Construction Machinery

Product Detail

Services	CNC milling,CNC turning,Laser Cutting, Bending, Spinning, Wire Cutting, Stamping
Materials Available	Aluminum: 2000 series, 6000 series(6061/6063), 7075, 5052, etc.
	Stainless steel: SUS303, SUS304, SS316, SS316L, 17-4PH, etc.
	Steel: 1214L/1215/1045/4140/SCM440/40CrMo, etc.
	Brass: 260, C360, H59, H60, H62, H63, H65, H68, H70, Bronze, Copper
	Titanium: GradeF1-F5
	Plastic: Acetal/POM/PA/Nylon/PC/PMMA/PVC/PU/Acrylic/ABS/PTFE/PEEK etc
Surface Treatment	Anodize, Bead blasted, Silk Screen, PVD Plating, Zinc/Nickel/Chrome/Titanium Plating, Brushing, Painting, Powder Coated, Passivation, Electrophoresis, Electro Polishing, Knurl, Laser/Etch/Engrave etc.
Tolerance	+/-0.01~+/-0.05mm
Surface Roughness	Min Ra0.1~3.2
Drawing Accepted	Stp, Step, Igs, Xt, AutoCAD(DXF, DWG), PDF, or SamplesLead Time

Production Process

Injection of wax mold

Repair wax mold

Wax mold tree

Shell making

About Us

working as a company that provides wide range of products and solutions related to metal stamping(punching, pressing) or deep drawing hardware, casting parts, metal or plastic machining parts, and mechanical parts assembly based on customer's design. Our metal works are serving in a wide variety of industries, including machinery, construction, furniture, automotive, sporting goods, electrical equipment, microelectronics, and lighting fixtures. At the same time, we are also successfully exporting some civilian products to countries all over the world. For example, our horse gears are very popular in the world market.

Based on specialized knowledge, our technical service team is capable of providing assistance in product design and technical guidance to our customers and our quality control team will assure a strict quality control in the production process. Meanwhile, our sales team members are providing fluent English communication and excellent services to worldwide customers.

We believe you will find on time response, technical design assistance, good quality control, and cost saving in the cooperation with us.

Please send inquiry with your product design or just share an idea with us, we will provide our quotation or design assistance in short time. Hope you will find a satisfactory answer here!

Quality Control
