

Formwork Scaffolding Accessories Water Stop

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: China
- Brand Name: NC3531
- Certification: ISO9001,CE,SGS
- Model Number: 3531
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 80,000 pcs monthly

Product Specification

- Item Name: Water Stop
- Material: QT450-10
- Application: Construction
- Process: Sand Casting
- Surface: Ele-ctrogalvanizing
- Inspection: 100%

Advantages

- 1.Impact-resistant Tapered Flange Bolts for Enhanced Truck Durability: Engineered to withstand extreme conditions, these high-strength bolts are made of robust metal and designed to secure the vital components of your Foton Faw280 truck, ensuring its longevity and reliability.
- 2.Competitive Pricing for Exceptional Value: The competitively priced tapered flange bolts offer unbeatable value for money, making them an excellent choice for truck owners and maintenance professionals seeking reliable bolt solutions without breaking the bank.
- 3.ISO9001 Certified and Environmentally Friendly: manufactured under ISO9001 quality management system, these bolts are backed by a 6-month warranty, guaranteeing their performance and durability. Environmentally friendly in manufacturing processes.
- 4.High-Quality and Versatile Design: The truck accessories boast a silver/black finish, along with the ability to accommodate various sizes, ensuring they can be installed in various truck models and applications. Manufactured by Xinjuheng, a trusted brand known for its cutting-edge engineering and commitment to quality.
- 5.Easy Installation: Designed for swift and hassle-free installation, the tapered flange bolts come with a MOQ of one, making them accessible to both individual truck owners and commercial customers alike. With a warranty and high-quality certification, you can rest assured of their durability and performance.

About Us

We manufactures scaffolding accessories like base jack, head jack, jack nut, scaffolding coupler, adjustable screw jack, and others. The company's scaffolding couplers conform to international standards, complying with EN74, BS1139, and catering to various industries, including construction, oil & gas chemical, petrochemical, power plants, and refineries.

FAQ

How can we guarantee quality?

Always a pre-production sample before mass production;
Always final Inspection before shipment;

What can you buy from us?

Scaffolding,Formwork,wing nut,Steel prop,Equipment

Why should you buy from us not from other suppliers?

Production-oriented enterprises, specializing in the production of construction-related metal products. The products are sold to Europe, Central Asia and other countries around the world
