

## Ductile Iron Sand Casting Agriculture Machinery Spare Parts

Our Product Introduction

for more products please visit us on [greycastironcasting.com](http://greycastironcasting.com)

### Basic Information

- Place of Origin: China
- Brand Name: NC4632
- Certification: ISO9001,CE,SGS
- Model Number: 4632
- Minimum Order Quantity: 100 pcs
- Price: Can talk
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 60,000 pcs monthly

### Product Specification

- Material: Ductile Iron
- Process: Sand Casting
- Application: Agriculture Machinery
- Casting Tolerance: CT9-11
- Surface Treatment: Electrophoresis , Finish Painting Etc. As Customers Request
- Size: Customized

| <b>Surface treatment</b>                     | Manual polishing<br>Electro-polishing<br>Electro-plating<br>Power coating<br>Tumbling                                  |

#### About Us

We specialize in Metal Parts Solution for Vehicle, Agriculture machine, Construction Machine, transportation equipment, Valve and Pump system. With keeping manufacturing process design, quality planning, key manufacturing processes and final quality control in house we are mastering key competence to supply quality mechanical parts and assembly to our customers for both Chinese and Export Market.

#### Production Process

### WorkShop

#### Our Advantages

Customized Solutions: Tailored designs for specific agricultural machinery needs.  
 Precise Machining: Achieves tight tolerances for critical components  
 Comprehensive Surface Treatment: Offers multiple options like painting, primer etc.  
 Durable Cast Iron Parts: Ideal for heavy-duty industrial applications.

#### FAQ

**Q: What's payment you can accept?**

A: T/T (Bank transfer), Western Union, , Paypal , Trade Assurance , L/C, etc.

**Q: How about quality of products?**

A: We strictly control every detail of the products. Each product is inspected before leaving factory.

**Q: How about the lead time?**

A: Generally it is 5~10 days if the goods are in stock. Or it is 45 days if the goods are not in stock, it is according to quantity.

**Q: Are you manufacturer?**

A: Yes, we are a multispecialty factory, specializing in cnc machining part, cnc turning parts, die casting part, iron casting part, forging parts, stamping parts, sheet metal fabrication, plastic injection parts and aluminum extrusion service.
